Through Time and the City Kristi Cheramie, Antonella De Michelis, 2020-09-21 Through Time and the

City Notes on Rome offers a new approach to exploring cities Using Rome as a guide the book follows familiar sites geographies and characters in search of their role within a larger narrative that includes the environmental processes required to generate enough space and material for the city the emergent ecologies to which its buildings play host and the social patterns its various structures help to organize Through Time and the City argues that Rome is made and unmade by an endlessly evolving chorus that has for better or worse gained geological legitimacy that the city absorbs and emits countless artifacts in its search for collective identity that the city is a platform for the constant staging of negotiations between agents humans buildings plants animals pathogens goods waste water that drive and are driven by the entanglements of climate and culture This book provides textual and visual frameworks for identifying the material traces emergent patterns or speculated futures that expose a city as inseparable from its capacity to change

Women and the Reinvention of the Political Maud Anne Bracke, 2014-07-11 This is the first in depth study of the feminist movement that swept Italy during the long 1970s 1968 1983 and one of the first to use a combination of oral history interviews and newly released archive sources to analyze the origins themes practices and impacts of second wave feminism While detailing the local and national contexts in which the movement operated it sees this movement as transnationally connected Emerging in a society that was both characterized by traditional gender roles and a microcosm of radical political projects in the wake of 1968 the feminist movement was able to transform the lives of thousands of women shape gender identities and roles and provoke political and legislative change More strongly mass based and socially diverse than its counterparts in other Western countries at the time its agenda encompassed questions of work unpaid care work sexuality health reproductive rights sexual violence social justice and self expression The case studies detailing feminist politics in three cities Turin Naples and Rome are framed in a wider analysis of the movement s emergence its transnational links and local specificities and its practices and discourses The book concludes on a series of hypotheses regarding the movement s longer term impacts and trajectories taking it up to the Berlusconi era and the present day

Mediated Messages Véronique Patteeuw, Léa-Catherine Szacka, 2018-06-14 Mediated Messages presents a collection of original writing exploring the role played by the media in the development of postmodern architecture in the 1970s and 80s The book s twelve chapters and case studies examine a range of contemporary periodicals and exhibitions to explore their role in the postmodern This focus on mediation as a key feature of architectural post modernism and the recognition that post modernism grew out of developments in the media opens up the possibility of an important new account of post modernism distinct from existing narratives Accompanied by a contextualizing introduction the essays are arranged across four thematic sections covering images international postmodernisms high and low culture and postmodern architects as theorists and present a range of case studies with a genuinely international scope Altogether this work makes a substantial contribution to the historical account of architectural postmodernism and will be of great interest to researchers in postmodernism as well as those examining the role of the

media in architectural history **Cityscaping** Therese Fuhrer, Felix Mundt, Jan Stenger, 2015-05-19 The term cityscaping is here introduced to characterise the creative process through which the image of the city is created and represented in various media text film and artefacts It thus turns attention away from built urban spaces and onto mental images of cities One focus is on the question of which literary visual and acoustic means prompt their recipients spatial imagination another is to inquire into the semantics and functions that are ascribed to the image of a city as constructed in various media The examples of ancient texts and works of art and modern literature and films are used to elucidate the artistic potential of images of the city and the techniques by which they are semanticised With its interdisciplinary approach the volume for the first time makes clear how strongly mental images of urban space both ancient and modern have been shaped by the techniques of their representation in media *A Companion to Italian Cinema* Frank Burke, 2017-04-17 Written by leading figures in the field *A Companion to Italian Cinema* re maps Italian cinema studies employing new perspectives on traditional issues and fresh theoretical approaches to the exciting history and field of Italian cinema Offers new approaches to Italian cinema whose importance in the post war period was unrivalled Presents a theory based approach to historical and archival material Includes work by both established and more recent scholars with new takes on traditional critical issues and new theoretical approaches to the exciting history and field of Italian cinema Covers recent issues such as feminism stardom queer cinema immigration and postcolonialism self reflexivity and postmodernism popular genre cinema and digitalization A comprehensive collection of essays addressing the prominent films directors and cinematic forms of Italian cinema which will become a standard resource for academic and non academic purposes alike **A Companion to Federico Fellini** Frank Burke, Marguerite Waller, Marita Gubareva, 2020-05-11 A groundbreaking academic treatment of Fellini provides new expansive and diverse perspectives on his films and influence The Wiley Blackwell Companion to Federico Fellini presents new methodologies and fresh insights for encountering appreciating and contextualizing the director s films in the 21st century A milestone in Fellini scholarship this volume provides contributions by leading scholars intellectuals and filmmakers as well as insights from collaborators and associates of the Italian director Scholarly yet readable essays explore the fundamental aspects of Fellini s works while addressing their contemporary relevance in contexts ranging from politics and the environment to gender race and sexual orientation As the centennial of Federico Fellini s birth in approaches in 2020 this timely work provides new readings of Fellini s films and illustrates Fellini s importance as a filmmaker artist and major cultural figure The text explores topics such as Fellini s early cinematic experience recurring themes and patterns in his films his collaborations and influences and his unique forms of cinematic expression In a series of Short Takes sections contributors look at specific films that have particular significance or personal relevance Destined to become the standard research tool for Fellini studies this volume Offers new theoretical frameworks encounters critiques and interpretations of Fellini s work Discusses Fellini s creativity outside of filmmaking such as his graphic art and his *Book of Dreams* published
