Sitas,2023-08-01 This book addresses urgent current debates on decolonisation by offering reimagined teaching and learning interventions for obtaining greater epistemic justice in the contemporary postcolonial university At a time when debates on decolonisation have gained urgency in academic civic and public spaces this interdisciplinary collection by authors based at the University of Cape Town South Africa serves as a valuable archive documenting and reflecting on a turbulent period in South African higher education It is an important resource for academics looking to grasp debates on decoloniality both in South Africa and in university and teaching spaces further afield Calling for concerted and collaborative work towards greater epistemic justice across diverse disciplines the book puts forward a new vision of the postcolonial university as one that enables excellent teaching and learning undertaken in a spirit of critical consciousness and reciprocity

Argief-Jaarboek vir Suid-Afrikaanse Geskiedenis ,1974 *Africana Acquisitions* Julian W. Witherell,1973 **South African Jewry** ,1976 *South African journal of library and information science* ,2005 **Teacher Education and Institutional Change in South Africa** Glenda Kruss,2008 In 1994 the South African teacher education landscape was fragmented across a wide variety of institutional sites *Placing Critical Geography* Lawrence D. Berg,Ulrich Best,Mary Gilmartin,Henrik Gutzon Larsen,2021-11-29 This book explores the multiple histories of critical geography as it developed in 14 different locations around the globe whilst bringing together a range of approaches in critical geography It is the first attempt to provide a comprehensive account of a wide variety of historical geographies of critical geography from around the world Accordingly the chapters provide accounts of the development of critical approaches in geography from beyond the hegemonic Anglo American metropolises Bringing together geographers from a wide range of regional and intellectual milieus this volume provides a critical overview that is international and illustrates the interactions or lack thereof between different critical geographers working across a range of spaces The chapters provide a more nuanced history of critical geography suggesting that while there were sometimes strong connections with Anglo American critical geography there were also deeply independent developments that were part of the construction of very different kinds of critical geography in different parts of the world *Placing Critical Geographies* provides an excellent companion to existing histories of critical geography and will be important reading for researchers as well as undergraduate and graduate students of the history and philosophy of geography
