

Sample Grade 7 Writing Prompt (4 pts.)

Your school is considering offering additional classes in one of its subjects in order to benefit students. Think about the various subjects that students might learn about in school. These subjects could be history, math, science, geography, or any other subject. Which subject should your school choose for additional classes in order to benefit students the most?

Write an argumentative essay for your teacher supporting your claim about which subject your school should choose for additional classes and why it would benefit students more than other subjects. Use evidence and reasons to support your argument.
