History of Psychology through Symbols James L. Broderick, 2023-12-15 Volume One of The History of Psychology

through Symbols provides a groundbreaking approach by expanding the roots of psychology beyond the Greeks to concurrent events during the same period 800 BCE 200 BCE defined as the Axial Age by German Swiss psychiatrist Karl Jaspers The Axial Age emphasized seeking the universal connection that unites all humanity a focus not on what one believed but how one lived This includes the human desire to connect to something greater the totality of being human explained by using symbols the universal language This volume describes the psychological implications of the Axial Age through the developments of Buddhism Hinduism Confucianism Daoism Judaism and Zoroastrianism as well as Greek thought Rooted in the Axial Age Volume One explores how the Christian and Islamic eras influenced psychology which resulted in the Renaissance and the Scientific Revolution which provided the historic roots of modern psychology Rejecting the idea that science transcends historical events this volume provides a political socioeconomic and cultural context for all the historic developments The chapter on the history of mental illness provides inspiration for a new mental health system with specific recommendations for radical system reform In the spirit of the Axial Age on the importance of how one lives there is an emphasis on engagement with symbols and with specific exercises called emancipatory opportunities to apply the lessons of psychological history to daily life This book is ideal for those seeking a dynamic and engaging way of learning about or teaching the history of psychology and would also be of interest to students practitioners and scholars of science philosophy history and systems religious studies art and mental health and drug and alcohol treatment as well as those interested in applying the lessons of history to daily life Learn more about this groundbreaking text and its symbols on the special website www.psychologyandsymbols.com *Mental Health and Psychiatric Nursing* Janet L. Davies, Ellen Hastings Janosik, 1991

Manual of Inpatient Psychiatry Michael I. Casher, Joshua D. Bess, 2010-07-29 Inpatient units treat some of the most difficult psychiatric patients This compact clinical manual is convenient for use on the ward and serves as a standard guide for treatment addressing the common questions and issues that clinicians face in day to day psychiatric work with this challenging patient group Chapters are organised around the diagnoses found on inpatient psychiatric units with additional chapters addressing documentation and the care of young adult inpatients Charts tables and clinical hints amplify the text allowing practising clinicians to find the information they need quickly and easily and enabling students to master the field for board and end of clerkship exams This practical manual is essential reading for practising psychiatrists psychiatric residents and all psychiatric educators as well as serving as an accessible reference for physicians in other specialties who consult on the psychiatric ward psychiatric nurses and medical students **Psychiatry of Intellectual Disability** Julie P. Gentile, Paulette Marie Gillig, 2012-04-30 Patients with intellectual disability ID can benefit from the full range of mental health services To ensure that psychiatric assessment diagnosis and treatment interventions are relevant and effective individuals with ID should be evaluated and treated within the context of their developmental framework Behavior should be viewed as a form of communication Individuals with ID often present with behavioral symptoms complicated by limited

expressive language skills and undiagnosed medical conditions Many training programs do not include focused study of individuals with ID despite the fact that patients with ID will be seen by virtually every mental health practitioner In this book the authors present a framework for competent assessment and treatment of psychiatric disorders in individuals with ID Psychiatry of Intellectual Disability is a resource guide for psychiatrists nurse practitioners and other prescribers treating patients with ID It is a supplemental text for psychiatry residents medical students psychology graduate students psychotherapists counselors social workers behavior support specialists and nurses To assist the practicing clinician the book includes Clinical vignettes Clinical pearls Charts for quick reference Issues concerning medications and poly pharmacy Altered diagnostic criteria specific for use with individuals with ID There are no evidence based principles dedicated to psychotropic medication use in ID but consensus guidelines address the high prevalence of poly pharmacy Altered diagnostic criteria have been published which accommodate less self report and incorporate collateral information this book reviews the literature on psychotropic medications consensus guidelines and population specific diagnostic criteria sets Psychiatry of Intellectual Disability also includes Interviewing techniques and assessment tips for all levels of communicative ability as well as for nonverbal individuals Assessment of aggression to determine etiology and formulate a treatment plan Overview of types of psychotherapy and suggested alterations for each to increase efficacy Relevant legal issues for caregivers and treatment providers The detective work involved in mental health assessment of individuals with ID is challenging yet rewarding The highest quality mental health treatment limits hospital days improves quality of life and often allows individuals to live in the least restrictive environments Psychiatry of Intellectual Disability is a must have resource for clinicians treating the ID population Yale Textbook of Public Psychiatry Dr Selby Jacobs, Dr Jeanne Steiner, 2016-01-15 Yale Textbook of Public Psychiatry is a comprehensive resource on treatment rehabilitation recovery and public health of persons cared for in organized publically funded systems of care *First Aid for the Psychiatry Clerkship, Fourth Edition* Latha Ganti, Matthew S.
