moving his way He has gassed and oiled the Cadillac and adjusts the pistol in his right boot then plays one of the six fiddle tunes he knows thinking back to his good days with Lucinda Miller Alone he waits in his remote ranch house while just outside an acquaintance named Luther hunts unblinking and of nervous temperament and moving through yellow primrose bending in the night wind In Diablo Canyon a distant part of Winchell Dear s ranch Peter Long Grass squats by a campfire contemplating the profile he saw moving along the ridge of Guapa Mountain an hour ago thinking about the gambler s housekeeper Sonia Dominguez about the small quiet world he has fashioned far from civilization and what undefined presence might now be threatening it He gathers his tools and begins to run across the desert floor And boring toward all of them is a cream colored Lincoln Continental with two men aboard Traveling from Los Angeles on a mission they ve been given they are professionals cool and implacable at the start but becoming steadily more confused by the strange landscape they are passing through Forty minutes from their task they ready themselves while a kitchen wall clock ticks its way through the long night of Winchell Dear The Long Night of Winchell Dear finds master storyteller Robert James Waller at his best as he takes us through the wind and dust of the high desert mountains into the shadowy world of high stakes poker fought in the back rooms of Amarillo and Little Rock and headlong toward the book s stunning finale of chaotic terror where an unexpected hero emerges *The Summer Nights Never End... Until They Do* Robert James Waller,2012-01-15 You may know Robert James Waller as the man who brought the world to Iowa s storied covered bridges What you may not realize is that before and since becoming an internationally acclaimed novelist Waller has grappled with a very real puzzle How can an individual a group and or a society cut through the confusion of everyday life to successfully navigate its pitfalls and traps Through intense reflection shrewd reasoning and not a little trial and error the reclusive author has developed a unique and inventive paradigm for thinking clearly and logically In *The Summer Nights Never End Until they Do* Waller shares a methodology can be applied to everything from governmental gaffs and immigration reform to losing weight and financial freedom Like so many things that make sense Waller s words are complex in their simplicity turn from the madness of short term quick fixes and toward time tested reasonable goals The devil is in the details So too are the answers *A Thousand Country Roads* Robert James Waller,2002 Robert Kincaid has little but memories memories of a lonely existence on the road and of Francesca Johnson the woman whose passion he stirred so briefly with such power Searching for meaning in his life Kincaid takes off once again With his dog Highway he begins a long winding journey back to Roseman Bridge in Madison County the place of his great love affair Living her own solitary life Francesca still visits Roseman Bridge and reflects on her days and nights with Robert Kincaid Cherishing the memory of the strange man who changed her world she vows to search for him 2002
