Effective Resources for Able and Talented Children Barry Teare, 1999-06-01 Effective Resources for Able and Talented Children has been written to meet the massive demand for practical resources designed to stimulate and inspire more able pupils. It can be seen as a practical sequel to Barry Teare's Effective Provision for Able and Talented Children published by Network Educational Press but also stands entirely alone as the activities can be used quite independently. What the Book Covers Contains a wealth of attractive and exciting photocopiable resources for able and talented pupils in both the primary and secondary sectors. Provides activities designed to inspire, motivate, challenge and stretch able children, encouraging them to enjoy their true potential. Begins with sections designed to help teachers build provision for able and talented children into the curriculum. The large bank of resources is organised according to areas of the National Curriculum and Scottish 5-14 Guidelines such as English, Science and Mathematics, each preceded by a commentary outlining key principles and giving general guidance for teachers.

At the End of the Day Rev. James W. Moore, 2010-09-01 At the end of the day, what will people say about you? If folks were totally candid, totally honest, how would your epitaph read? In the Talmud, it is suggested that to be successful in this life, you should plant a tree, have a child, or write a book. This means you should be sure that you have exerted an influence for good in this life that lives on after your days on earth are done. In each chapter, popular author James W. Moore asks the question: Just how will you be remembered as one who knew Christ's healing love, who celebrated the joy of the journey, who knew the Gift of the Holy Spirit, who knew how to trust the right things, who knew the power of compassion, who knew how to teach children the key things in life, who knew the importance of prayer, who knew right from wrong, who knew the significance of the battle within, who knew the power of words, who knew that great getting up mornin', who knew how to be beautifully extravagant, who knew how to be a real friend, who knew how to close the gate? The book's epilogue provides some valuable insight into how to become that kind of person and is called Making Every Day Count. Also included in the book is a study guide.

**Caswell County, North Carolina, Will Books 1777-1814** Katharine Kerr Kendall, Mary Frances Kerr Donaldson, 2009-06 Following the Glorious Revolution, the supporters of the House of Stuart, known as Jacobites, could be found throughout the British Isles. The Scottish county of Angus or Forfarshire made a significant contribution to the Jacobite armies of 1715 and 1745. David Dobson has compiled a list of about 900 persons, including not only soldiers but also civilians who lent crucial support to the rebellion. Arranged alphabetically, the entries always give the full name of the Jacobite, his occupation, his rank, date of service, and unit, if military, and sometimes the individual's date of birth, the names of his parents, a specific place of origin, and a wide range of destinations to which the Jacobites fled after each of the failed insurrections.
