Roman Empire By Prentice Hall:

Paul's Letter to the Romans and Roman Imperialism Ian E Rock, 2017-05-25 Ian E Rock demonstrates that the Letter to the Romans may be seen as an attempt by a subordinate group to redress actual and potential issues of confrontation with the Empire and to offer hope even in the face of death Paul demonstrates that it is God's peace and not Rome's peace that is important that loyalty to the exalted Jesus as Lord and to the kingdom of God not Jupiter and Rome leads to salvation that grace flows from Jesus as Christ and Lord and not from the benefactions of the Emperor If the resurrection of Jesus the crucified criminal of the Roman Empire demonstrates God's power over the universe and death the very instrument of Roman control then the Christ believer is encouraged to face suffering and death in the hope of salvation through this power Paul's theology emerges from and is inextricably bound to the politics of his day the Scriptures of his people and to the critical fact that the God who is One and Lord of all is still in charge of the world

The Sources of Social Power: Volume 1, A History of Power from the Beginning to AD 1760 Michael Mann, 2012-09-17 Volume 1 examines interrelations between sources of power from neolithic times up to just before the Industrial Revolution in England

Roman Realities Finley Hooper, 1979 Based on the major primary sources of Roman history this book recalls the experiences of the ancient Romans through a thousand years of their history Roman Realities recalls the experiences of the ancient Romans through a thousand years of their history emphasizing the problems produced by their successes and the lessons to be learned from their failures It is based on the major primary sources of Roman history with illuminating parallels between ancient and modern times As Finley Hooper says in his introduction Anyone concerned about present problems will profit from reading about how the Romans went about solving theirs with the added advantage of knowing how it all turned out Although scholars will find the events in this book familiar they will not necessarily share its insights or agree with its interpretations This is a book to read enjoy and argue about

The Greco-Roman World of the New Testament Era James S. Jeffers, 2009-08-20 James S Jeffers provides an informative tour of the various facets of the Roman world class and status family and community work and leisure religion and organization city and country law and government death and taxes and the events of Roman history

The Romans Kevin M McGeough, 2009-03-17 The Romans provides an accessible introduction to the history society and scholarship of one of the most captivating and enduring civilizations in human history From the establishment of the monarchy and the Republican era to the decline of the Empire this comprehensive volume examines every aspect of Roman culture from both historical and archaeological perspectives In addition to surveying the well established subjects of Roman history author Kevin McGeough discusses the latest events in the archaeological investigation of Rome such as the recent excavations at the Temple of Castor and Pollux in the Roman Forum and the controversial identification of an ossuary thought by some to hold the body of James the brother of Jesus The text is accompanied by carefully chosen illustrations maps a glossary and chronology Throughout general readers and students will gain a vivid understanding of Roman

civilization and of why it still captures our imagination today

The Seven Cities of the Apocalypse and Greco-Asian Culture Roland H. Worth, 2019-05-07 The companion to *The Seven Cities of the Apocalypse* and *Roman Culture* this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome's general impact upon the region traced in the *Roman Culture* volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE

The Roman Republic, History, Myths, Politics, and Novelistic Historiography Miguel A. Faria, Jr., 2025-06-09 The history of the Roman Republic has been shrouded in myth assailed by gaps in historical knowledge and even immersed in political biases But in this book the author has succeeded in penetrating the mist using both ancient and modern sources as well as numismatic information and other illustrative materials and artforms He narrates the history of ancient Rome from its beginnings with the legendary seven kings of Rome the founding and struggles of the Republic the wars of conquests and civil wars to the collapse of the Republic and the inception of the Roman Empire with Augustus Peace is finally established and the Augustan Renaissance and the Pax Romana followed hinting at the course of Western civilization One lesson is learned Liberty and civic duties are too valuable to be forsaken for the material safety of bread and circuses because in the end citizens so partaking may end up with neither liberty nor safety

Companion Encyclopedia of Archaeology Graeme Barker, 2002-08-13 This comprehensive fully illustrated Companion answers the need for an in depth archaeology reference that provides authoritative coverage of this complex and interdisciplinary field The work brings together the myriad strands and the great temporal and spatial breadth of the field into two thematically organized volumes In twenty six authoritative and clearly written essays this Companion explores the origins aims methods and problems of archaeology Each essay is written by a scholar of international standing and illustrations complement the text

Facing the Mob Benjamin Browning, 2022-02-25 Whether you are reading the story of Pilate's encounter with angry crowds during the trial of Jesus or reading one of the numerous accounts of mob violence in the book of Acts you will find that the threat of crowd violence is a common theme in the New Testament particularly in the Gospels and Acts In *Facing the Mob* Benjamin Browning provides a thorough examination of how government officials in the early Roman Empire responded to civil unrest He then uses these insights from the ancient world to provide readers of the New Testament with tools that will help them to interpret civil unrest passages more effectively

Acts: An Exegetical Commentary : Volume 1 Craig S. Keener, 2012-09-01 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the first of four Keener introduces the book of Acts particularly historical questions related to it and provides detailed exegesis of its opening chapters He utilizes an unparalleled range of ancient sources and offers a wealth of fresh insights This magisterial commentary will be a valuable resource for New Testament professors and students pastors Acts scholars and libraries **Prentice-Hall Business Digest Service** ,1919 *Like a Bride Adorned* Lynn R. Huber, 2007-06-10 This book engages one set of conceptual metaphors in relation to Revelation s literary and social historical milieu The Oxford Handbook of Social Relations in the Roman World Michael Peachin, 2011 The study of Roman society and social relations blossomed in the 1970s By now we possess a very large literature on the individuals and groups that constituted the Roman community and the various ways in which members of that community interacted There simply is however no overview that takes into account the multifarious progress that has been made in the past thirty odd years The purpose of this handbook is twofold On the one hand it synthesizes what has heretofore been accomplished in this field On the other hand it attempts to configure the examination of Roman social relations in some new ways and thereby indicates directions in which the discipline might now proceed The book opens with a substantial general introduction that portrays the current state of the field indicates some avenues for further study and provides the background necessary for the following chapters It lays out what is now known about the historical development of Roman society and the essential structures of that community In a second introductory article Clifford Ando explains the chronological parameters of the handbook The main body of the book is divided into the following six sections 1 Mechanisms of Socialization primary education rhetorical education family law 2 Mechanisms of Communication and Interaction 3 Communal Contexts for Social Interaction 4 Modes of Interpersonal Relations friendship patronage hospitality dining funerals benefactions honor 5 Societies Within the Roman Community collegia cults Judaism Christianity the army and 6 Marginalized Persons slaves women children prostitutes actors and gladiators bandits The result is a unique up to date and comprehensive survey of ancient Roman society *Handbook of Early Christianity* Anthony J. Blasi, Paul-André Turcotte, Jean Duhaime, 2002 Visit our website for sample chapters **Roman Palmyra** Andrew Michael Smith, 2013-02-21 This history of Roman Palmyra offers an examination of how the Palmyrenes constructed and maintained a unique identity individually and collectively amid progressive communal changes *Constantine and the Divine Mind* Kegan A. Chandler, 2019-12-18 Constantine s conversion to Christianity marks one of the most significant turning points in the epic of Western civilization It is also one of history s most controversial and hotly debated episodes Why did Constantine join a persecuted sect When did he convert And what kind of Christian did he ultimately become Such questions have perennially challenged historians but

modern scholarship has opened a new door towards understanding the fourth century's most famous and mysterious convert In Constantine and the Divine Mind Chandler offers a new portrait of Constantine as a deeply religious man on a quest to restore what he believed was once the original religion of mankind monotheism By tracing this theological quest and important historical trends in Roman paganism Chandler illuminates the process by which Constantine embraced Christianity and how the reasons for that embrace continued to manifest in his religious policies In this we discover not only Constantine's personal religious journey but the reason why Christianity was first developed into a world power The Romans Kevin Murray McGeough,2004-11-23 So many myths and legends So many senators and Caesars So many documents archaeological finds movie made misconceptions and scholarly histories With so much information available on the civilization of ancient Rome and more discoveries happening all the time where do you start The Romans New Perspectives is the ideal starting point for investigating this extraordinary civilization its remarkable rise and decline the scope of its power and wealth the details of everyday life for its people and its signature contributions to human culture food architecture government public works art and more The Romans takes readers from the establishment of the monarchy circa 753 BCE through the rise of the republic circa 509 BCE the imperial period and ultimately to the fall of the empire and the coronation of the barbarian king Odoacer It is an engaging account of current thinking on Roman life and culture informed by a number of dramatic recent discoveries The book provides a coherent introduction to the field while pointing the way toward further reading on specific topics and personalities **Invisible Romans** Robert Knapp,2011-10-24 Robert Knapp brings to light the laboring men housewives prostitutes freedmen slaves soldiers and gladiators who formed the backbone of the ancient Roman world and the outlaws and pirates who lay beyond it The lives of these invisible Romans emerge from graffiti incantations fables astrological writings and even the New Testament *Pathways to Public Relations* Burton St. John III,Margot Opdycke Lamme,Jacquie L'Etang,2014-04-24 Over the centuries scholars have studied how individuals institutions and groups have used various rhetorical stances to persuade others to pay attention to believe in and adopt a course of action The emergence of public relations as an identifiable and discrete occupation in the early 20th century led scholars to describe this new iteration of persuasion as a unique more systematized and technical form of wielding influence resulting in an overemphasis on practice frequently couched within an American historical context This volume responds to such approaches by expanding the framework for understanding public relations history investigating broad conceptual questions concerning the ways in which public relations rose as a practice and a field within different cultures and countries at different times in history With its unique cultural and contextual emphasis Pathways to Public Relations shifts the paradigm of public relations history away from traditional methodologies and assumptions and provides a new and unique entry point into this complicated arena **The Mediterranean World in Late Antiquity** Averil Cameron,2015-04-29 This book provides both a detailed introduction to the vivid and exciting period of late antiquity and a direct challenge to conventional

views of the end of the Empire
