Imagine living in a time and place where lawlessness and violence flood the streets like a raging river It s a time of rebellion uncertainty and chaos This story is about a man raised in that world in 1960s China As a child living in an atheist country immersed in turmoil he witnesses atrocities and suffering most of us could never imagine Hoping to get away from the horrors the man flees to America with limited financial resources and minimal English skills to be educated as a psychologist Though he physically escapes the clutches of the country where he was raised the traumas of his childhood remain with him as a dark cloud of depression and despair Crossroads provides a glimpse into a time in China s history most of us never knew This man a survivor of that tumultuous period spends thirty years of his life seeking peace and understanding His travels take him across the world as he explores dozens of faiths When traditional religion fails him he seeks hope through shamans mystics and the supernatural Crossroads is not as much about one man s struggles as it is a testament to God s love and commitment to remain with each of us throughout the storms of our lives *L-Z* Gordon Winant Hewes,2020-05-05 No detailed description available for L Z
