the book right to education has been recognized as a human right education has a role in peace building Additionally education human rights and peace have a significant role in sustainable development The United Nations have defined a broad range of internationally accepted rights including civil cultural economic political and social rights However this book demonstrates that there are still people and nations not respecting the Universal Declaration of Human Rights Chapters from Brazil Cameroon Ethiopia Kazakhstan Israel Peru Russia and South Africa cover topics like civil war human abuses the vulnerability of indigenous people abortion epilepsy food security lack of health equities in maternal and child health and democracy or lack of it We sincerely hope that this book will contribute to the joint pursuit of humanity to make the world better after we all get over the coronavirus pandemic

Democracy and Impunity Alexander Lee, 2025-04-22 India faces a crisis of criminal impunity Crimes against the poor and marginalized go unprosecuted while crimes committed by the rich and influential are ignored in return for bribes or favors Those who have enough money to pay the police or enough power to influence them can quite literally get away with murder In *Democracy and Impunity* Alexander Lee examines the politics of law enforcement in India and why the police perform so poorly across multiple dimensions a level of performance that is exceptional even for similar developing democracies Lee shows that high levels of impunity in India are the result of two interdependent policy choices the Indian police are severely under resourced and have very low autonomy in relation to senior members of the political elite While Lee focuses on India his account sheds light on how nations can find themselves in the policy trap of low police resources and low police autonomy and why they find it so hard to get out of this equilibrium He also explains why some politicians find it in their interests to have a weak and tightly controlled police force why many police officers work with these politicians and discusses specific reforms that could alleviate the impunity crisis

The Routledge Companion to Public Humanities Scholarship Daniel Fisher-Livne, Michelle May-Curry, 2024-05-31 Across humanities disciplines public scholarship brings academics and community members and organizations together in mutually beneficial partnership for research teaching and programming While the field of publicly engaged humanities scholarship has been growing for some time there are few volumes that have attempted to define and represent its scope The Routledge Companion to Public Humanities Scholarship brings together wide ranging case studies sharing perspectives on this work grounded in its practice in the United States The collection begins with chapters reflecting on theories and practices of public humanities scholarship The case studies that follow are organized around six areas of particular impact in public humanities scholarship Informing contemporary debates amplifying community voices and histories helping individuals and communities navigate difficult experiences preserving culture in times of crisis and change expanding educational access and building and supporting public scholarship The Companion concludes with a glossary introducing select concepts Taken together these resources offer an overview for students and practitioners of public humanities scholarship creating an accessible vocabulary rooted in the practices that have so advanced academic and community life Although drawing on case

studies from the US these examples offer perspectives and insights relevant to public humanities around the world This book will be of interest to anyone working within the public humanities or wanting to make their work public and engage with wider communities

Bracketed Belonging Kelvin E. Y. Low, 2025-07-15 Bracketed Belonging addresses how nations and their governance of security determine social constellations and shape socio political and legal assertions of belonging and allegiance Kelvin E Y Low examines the contours and limits of belonging that underlie the complex social contract between mobile migrants and nations in the context of a global military security market He explores these core themes through the case of Nepali Gurkhas and their families as military and paramilitary migrants Recruited to serve in the military or police force Gurkhas are trained in jungle warfare skills that other police groups do not possess There is thus the professional link to military training and the formation of a unique paramilitary police force with the backdrop of colonialism In these contexts this book offers fresh perspectives on studying global security migration and diasporic lives It sets a new agenda by analytically bridging empire military and security maneuvers and migratory pathways and options In doing so Bracketed Belonging serves as a novel contribution to current scholarship on migration and transnationalism and on police and security studies

Crime, Criminal Justice and Religion Philip Birch, Conor Murray, Andrew McInnes, 2022-12-30 Crime Criminal Justice and Religion A Critical Appraisal seeks to bridge a gap in the examination of crime and criminal justice by taking both a historical and a contemporary lens to explore the influence of religion Offering unique perspectives that consider the impact on modern day policy and practice the book scrutinises a range of issues such as abortion hate crime and desistance as well as reflecting upon the influence religion can have on criminal justice professions The book acts to renew the importance of and recognise the influence and impact religion has in terms of how we view and ultimately address crime and deliver criminal justice One of the first books to cover the area of crime criminal justice and religion the book is split into three parts with part 1 Contextualising Crime Criminal Justice and Religion providing an introduction to crime criminal justice and religion and reflections on the role religion has had and continues to have in how crime is understood and how we respond to it Part 2 Appraisal of Institutions and Professional Practice considers the issue of religion through institutions and professions of criminal justice such as the police and legal profession while part 3 Appraisal of Contemporary Issues explores a range of crime and criminal justice issues in on which religion has had an impact such as the death penalty and terrorism Crime Criminal Justice and Religion will be of primary interest to academics researchers and students in criminology law sociology psychology social policy and related Humanities Arts and Social Sciences disciplines It will also be of interest to theologians both as scholars and practitioners The book is a body of work that will appeal at an international level and will also be a key resource for a range of practitioners across the globe working on issues concerning crime and criminal justice
