With life being fast-paced nowadays, it's difficult to make time to cook meals from scratch. But it's essential enough for me to make it my priority. Cooking at home is good not only for my family but also for me. So why don't we create our own tasty dishes with the recipes in the book [365 Awesome Long Grain Rice Recipes](#). Consider [365 Awesome Long Grain Rice Recipes](#) as a celebration of bringing people together through good food like sharing here most of my personal favorites as well as some recipes I got from my family and friends. In most of recipes preparation, cooking and cooling times are included. They're estimates only so no need to follow them to a T. Those time estimates just work for me when I cook for my family. A dish that takes me half an hour to make may take you just 15 minutes or an hour. Just as some ovens heat faster and some people slice ingredients more quickly than others. Don't be disheartened if it takes you longer to prepare a dish or the outcome doesn't look like the one in the photo. What matters more is owning and enjoying the cooking experience. More than the recipes and food photos in this book, I hope to inspire you to unlock ways to cook meals that are truly yours, whether you just want to experiment in the kitchen as a beginner or you're looking to learn new recipes to add to the selection of meals you've been serving for years. Regardless, just enjoy cooking. In case you mess up, you can always order pizza.
