Heirloom Kitchen Anna Francese Gass, 2019-04-30 A gorgeous full color illustrated cookbook and personal cultural history filled with 100 mouthwatering recipes from around the world that celebrates the culinary traditions of strong empowering immigrant women and the remarkable diversity that is American food As a child of Italian immigrants Anna Francese Gass grew up eating her mother s Calabrian cooking But when this professional cook realized she had no clue how to make her family s beloved meatballs a recipe that existed only in her mother s memory Anna embarked on a project to

record and preserve her mother's recipes for generations to come. In addition to her recipes, Anna's mother shared stories from her time in Italy that her daughter had never heard before, intriguing tales that whetted Anna's appetite to learn more. Reaching out to her friends whose mothers were also immigrants, Anna began cooking with dozens of women who were eager to share their unique memories and the foods of their homelands. In *Heirloom Kitchen*, Anna brings together the stories and dishes of forty-five strong, exceptional women, all immigrants to the United States whose heirloom recipes have helped shape the landscape of American food. Organized by region, the 100 tantalizing recipes include Magda's Pork Adobo from the Philippines, Shari's Fersenjoon, a walnut and pomegranate stew from Iran, Tina's dumplings from Northern China, Anna's mother's Calabrian Meatballs from Southern Italy. In addition to the dishes, these women share their recollections of coming to America, stories of hardship and happiness that illuminate the power of food, how cooking became a comfort and a respite in a new land for these women, as well as a tether to their native cultural identities. Accented with 175 photographs, including food shots, old family photographs, and ephemera of the cooks' first years in America, such as Soon Sun's recipe book, pristinely handwritten in Korean, or Bea's cherished silver pitcher, a final gift from her own mother before leaving Serbia, *Heirloom Kitchen* is a testament to empowerment and strength, perseverance and inclusivity, and a warm and inspiring reminder that the story of immigrant food is at its core a story of American food. With women's life expectancy inching up past eighty, you may be embroiled with your mother well past the time your own hair turns white. The good news: living longer means more time to make peace, and this book shows you how. Drawing on her own experience with her colorful eighty-four-year-old mother and the collective wisdom of more than one hundred other adult daughters, Krasnow offers a fresh perspective on how to overcome the anger, guilt, and resentment that can destroy a family. The time to repair the bond is now, she reminds us. You can't kiss and make up at her funeral. The key is to let go of the fantasy mom and embrace the flesh-and-blood woman with all her flaws. *Entertaining* Martha Stewart, 2025-11-04
