Project Management by ICB4 - IPMA Bert Hedeman, Roel Riepma, 2023-09-21 IPMA observes an increasing number and importance of projects in business public and people s lives also known as projectification In the world of globalisation an increasing number of organisations are working project based to cope with the challenges of modern times Especially now society is on the brink of such significant changes as global warming and artificial intelligence Projects drive the development of new products and services expansions new capabilities implementation of new strategies and new generations of infrastructure and major maintenance and upgrade of existing facilities and infrastructure This book provides a knowledge base for developing individual competencies for managing projects as described in the IPMA Individual Competence Baseline version 4 which encompasses Perspective competencies People competencies Practice competencies As projects become increasingly important we must continue to realise that projects begin and end with people and that their competent performance within the broader context of the environment is at the heart of any successful project In this book

theories and practices for all ICB4 competencies are described. They are logically sequenced, explained and enriched with practical approaches which can be learned and applied in the daily project management practice. As such, it aligns entirely with IPMA's vision to strengthen competence across society to enable a world in which all projects succeed. This book also supports obtaining an IPMA certificate as proof of your competence in projects.

This Courseware for IPMA Individual Certification contains the slides for the various IPMA training courses. It includes slides for all the learning objectives as described in the textbook *Project Management by ICB4* and the Preparation Guide for IPMA Individual Certification. It follows the same structure as this textbook and preparation guide. Each IPMA Member Association independently determines which learning objectives are required at the different IPMA levels. Custom slide decks are available online on request. These will then correspond to the learning objectives they set per level. It is recommended that the courseware be combined with the textbook and preparation guide. This provides optimal preparation for the exams. The slides provide an ideal overview of the characteristics and essence of each learning objective. This courseware contains about 430 informative slides for all levels. An extensive team of IPMA trainers and project managers has reviewed these slides. We wish you every success in your projects and in preparing for your exam.

Preparation Guide for IPMA Individual Certification Bert Hedeman, Roel Riepma, 2024-09-23

Preparation Guide for IPMA Individual Certification Based on *Project Management by ICB4*. This Preparation Guide for IPMA Individual Certification is a must for anyone preparing for the IPMA D and IPMA C project management exams through one of the IPMA Member Associations based on the ICB version 4. This book follows the same structure as the textbook *Project Management by ICB4* and includes a summary of the learning objectives covered in the textbook and many multiple choice and open ended questions with answer indications to practice the material. Multiple choice questions with answer indications are included for all the Basic learning objectives. Open ended questions with sample answers are included for all the main topics of the learning objectives in both the Basic and Advanced sections. The multiple questions are formulated at Bloom level C Comprehensive. The open ended questions are formulated at different Bloom levels. The Bloom level at which the questions are formulated is indicated in the title of each question. The open ended questions are all based on a short case study. They are always about applying the project management framework and supporting theories as indicated in the textbook. Each IPMA Member Association independently decides which learning objectives apply to their IPMA D and IPMA C certification levels. To determine which learning objectives consult your IPMA Member Association's website. This Exam Prep contains more than 400 multiple choice questions and 225 open questions, the latter totalling more than 650 marks, so a wealth of practice material. An extensive team of IPMA trainers and project managers has reviewed the Exam Prep book.
