The Life and Times of Arthur Hildersham Lesley A. Rowe, 2019-06-15 Arthur Hildersham is to a large extent a forgotten Puritan. Since Samuel Clarke compiled a thirteen-page account of his life in the seventeenth century, there has been no biography of Hildersham. But during his lifetime, Hildersham was one of the most revered and prominent Puritan figures. His story combined with a study of his printed works is rewarding in a number of ways. Hildersham is a guide who can help us better understand the rapidly changing and often confusing religious scene of the later Elizabethan and early Stuart period. He faced challenges and big questions that are still relevant. Although we may not agree with all of Hildersham's conclusions, his way of thinking through issues according to biblical principles is instructive. There is often a temptation to spiritualize heroes of the past by concentrating solely on their preaching. The exclusion of their ordinary lives, mundane domestic routines, and business affairs can sometimes leave us feeling inadequate and guilty by comparison. This study of Hildersham will attempt to redress that imbalance by painting a well-rounded portrait of a man who lived for his Master not only in the pulpit but also in daily life, in secular activities, in friendships, and in trials.

Postcolonial Preaching HyeRan Kim-Cragg, 2021-02-11 In *Postcolonial Preaching*, HyeRan Kim Cragg argues that preaching is the act of dropping the stone of the Gospel into a lake, making waves to move hearts and transform the world wounded by colonial violence. The ripple effect serves as a metaphor and acronym to guide to preaching that takes postcolonial concerns seriously. Rehearsal, Imagination, Place, Pattern, Language, and Exegesis (RIPPLE). Kim Cragg explains each ripple in this approach and exercise of creating and delivering sermons. The author delivers fresh insights while drawing on some traditional homiletical perspectives in the service of a homiletic that takes the reality of racism, migration, and environmental degradation seriously. Moreover, Kim Cragg demonstrates the postcolonial sermon in action by including annotated homilies. This book contributes to the very first wave of the application of postcolonial scholarship in preaching. Given the continuing extent and influence of colonial worldviews and legacies, this approach should become a staple in preaching over the next generation.

from John's Gospel to help us deal with the rigors of real life *A History of the Mishnaic Law of Damages, Part 4* Jacob Neusner, 2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship *Little Theologians* David M. Csinos, 2020-11-18 Children don't just learn theology They actively create it playing with ideas and drawing together aspects of their own lives to form theological understanding David Csinos offers a groundbreaking exploration of how cultural contexts intersect with the theological meaning making of children **The Social Teachings of Rabbinic Judaism (3 vols)** Jacob Neusner, 2021-10-11 The systematic and orderly presentation of the Halakhah normative law of Rabbinic Judaism in its formative age makes its principal statements in response to a program of social reconstruction it speaks through the details of norms of law about the community Israel Rabbinic Halakhah lays out a social philosophy of an coherent and encompassing character Part 1 Corporate Israel and the Individual Israelite In the first part of the project on Corporate Israel and the Individual Israelite we ask where and how the Halakhah sorts out the relationships of the individual and the community the realm of responsible action and particular responsibility assigned by the Halakhah to each Prophecy from Moses forward and the Halakhah from the Mishnah onward concur that the condition of all Israel dictates the standing of each individual within Israel and further concur that each Israelite bears responsibility for what he or she as a matter of deliberation and intention chooses to do If individuals were conceived as automatons always subordinated agencies of the community or if the community were contemplated as merely the sum total of individual participants a particular social teaching would hardly demand attention But Scripture continued in the Mishnah Tosefta the two Talmuds and Midrash insists that Israelites are individual responsible for what they do and further that corporate Israel on its own not only as the sum of individual actions forms a moral entity subject to judgment So these are the governing questions How to sort out these intersecting matters then the obligations of the community the responsibilities of individuals How does the social teaching of Rabbinic Judaism hold together doctrines of individual obligations to Heaven and mutual responsibilities on the

one side with all Israel's commitments and public convictions on the other Part 2 Between Israelites Part 2 turns to relationships between Israelites with particular attention to those that require resolving conflict Once the law recognizes not only Israelites but the integrity of corporate Israel how does it regulate relationships within the framework of that corporate community By regulating relationships the sages will have understood relationships of competition contention and conflict Those of collaboration consensus and cooperation require no regulation on the part of constitutive law they regulate themselves by their nature people keep rules Then at issue are where the corporate community intervenes to protect its interests in relationships between and among individual Israelites and how it does so The exposition then follows the laws presentation of those relationships as integral to the larger system of Rabbinic Judaism and its plan for its Israel's public life hence once more the focus on large constructions category formations that are integral to the main beams of the Halakhic system and structure Part 3 God's Presence in Israel Part 3 raises the third and final question of the social order God's role in society For Rabbinic Judaism to be Israel means to live in God's kingdom under God's rule in a very particular way That imperative addresses not individuals alone or mainly but rather corporate Israel that is the entire social order It encompasses not merely feelings or attitudes but registers in the here of tangible transactions and in the now of workaday engagements not only in some distant time The generative question of this third and concluding part of the study of the social t A *History of the Mishnaic Law of Damages, Part Four* Jacob Neusner, 2023-11-27 The history of Jews from the period of the Second Temple to the rise of Islam Women's Evangelical Commentary: New Testament Dorothy Kelley Patterson, Rhonda Kelley, Rhonda Harrington Kelley, 2011-06 A New Testament commentary written by women with theological training for women with an emphasis on passages of importance to women **Discourses Upon the Existence and Attributes of God** Stephen Charnock, 1840 *The Christian Therapist's Notebook* Philip J.
