

The Legalization of Same-Sex Marriage in the Philippines

Same-sex marriage is the practice of marrying someone of the same sex. It is a marriage between two women or two men under the law. Most countries in the world have already legalized same-sex marriage, but not all. The Philippines is one of the countries that have yet to legalize same-sex marriage in the country. There was international research on how many people are part

of the LGBTQ+ community in the Philippines. According to the research, most of the people who are part of the LGBTQ+ community in the Philippines are in the Metro Manila area. This shows the support of people who are part of the LGBTQ+ in the country. Then, the question came up, should we allow the legalization of same-sex marriage here in the Philippines? There was a survey conducted by the Social Weather Stations in that case if Filipinos are in favor of legalizing same-sex marriage. The outcome of the survey showed that 60% of Filipinos are against the legalization of same-sex marriage here in the Philippines. 30% are in favor of legalizing it and 10% of the Filipinos have not decided whether they agree or disagree on the matter. This indicates that the acceptance rate of the subject in the Philippines cannot even be considered as still going low despite the Philippines being a "gay-friendly country" (Gonzalez, 2016). The president of the Philippines, Mr. Rodrigo Duterte, also opposed the legalization of same-sex marriage here in the country that this is not an culture and same-sex marriage is not applicable here in the Philippines because we are Catholic (Gonzalez, 2017). Regardless, same-sex marriage should be legalized in the Philippines to strengthen the fundamental rights of equality and free freedom of belief and religion.

There are marriage for the LGBTQ+ even they have religious or spiritual beliefs. They have applied a long continuous leading in the leading of others, especially the church. There are marriage in the Philippines because it is their right because all people are a religious practitioners. Catholic, muslim, other same-sex marriage is considered as one of equality and love of religion. Christian missionaries gather here through catholic, gay, muslims, transgender, and other who support in religious freedom to achieve equal rights under the law (Gonzalez, 2016). Gonzalez et. al., 2016. This survey is an act of representation of religious freedom in different in the different religion and the gay support the freedom of choice and freedom of belief in the Philippines of Gonzalez et. al., 2016.
