1. READ THE TEXTS AND ANSWER THE QUESTIONS BELOW

Hi, my name is Darwin Watterson. I'm ten years old and I live in Elmore. I go to school from Monday to Friday but when I'm not at school I practice sports. My favorite sports are adventure sports, especially water sports. I practice white-water rafting, kayaking and canyoning.

I always go kayaking on Monday and on Wednesday. When I finish school and after I finish my homework I take my kayak and I go to the beach with my friend Tobias. On Tuesday and on Thursday I go white-water rafting. You need a group to do white-water rafting, it is difficult but it is really exciting. I go canyoning on Friday afternoon. Canyoning is my favorite sport; you have to go down a river canyon using your hands, legs and some ropes. You need some special equipment to practice canyoning; you need a helmet to protect your head, a wetsuit not to feel cold, ropes and harness to go down the canyon. Finally, I take a rest on the weekend to play some videogames with my brother, Gumball. He doesn't like practicing sports.

Hello, I'm Skips, I'm 300 years old and I live in the park. I have to work every day of the week, from Monday to Sunday, but, when I finish my work I have a lot of free time. In my free time I like to practice sports. I personally prefer adventure sports because those are risky. I like parachuting, bungee jumping and rock climbing.

I usually go rock climbing on Saturday or Sunday afternoon. I normally go on my own. I like climbing mountains and the solitude when you reach the top of the mountain; if you want to go climbing you need to be very strong. I go bungee jumping on Friday afternoon. You need to be very brave to jump of a cliff with just a rope attached to your feet. Finally, I have to say that my favorite sport is parachuting; I love parachuting. I always go parachuting on Thursday but, I never go at night, I always go in the morning. Parachuting is when you jump off a plane with a parachute on your back, you open it during the fall and you land gently on the floor after a couple of minutes. It feels like you were flying and I love that feeling. I went once with Mordecai but he got scared and he didn't jump. Do you want to try parachuting? You need to be very brave.

1. What are Darwin's favorite sports?
2. When does he go kayaking?
3. When does he go canyoning?
4. What special equipment do you need to practice canyoning?
5. What does he do on the weekend?

6. What are Skips' favorite sports?
7. Does he go rock climbing on Friday?
8. What special quality you need to go climbing?
9. Does he go parachuting at night?
10. Did Mordecai like parachuting?

# Sample Comprehension Year 8

## **Sample Comprehension Year 8:**

This book delves into Sample Comprehension Year 8. Sample Comprehension Year 8 is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Sample Comprehension Year 8, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to Sample Comprehension Year 8
- Chapter 2: Essential Elements of Sample Comprehension Year 8
- Chapter 3: Sample Comprehension Year 8 in Everyday Life
- Chapter 4: Sample Comprehension Year 8 in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Sample Comprehension Year 8. This chapter will explore what Sample Comprehension Year 8 is, why Sample Comprehension Year 8 is vital, and how to effectively learn about Sample Comprehension Year 8.

3. In chapter 2, the author will delve into the foundational concepts of Sample Comprehension Year 8. This chapter will elucidate the essential principles that need to be understood to grasp Sample Comprehension Year 8 in its entirety.

4. In chapter 3, the author will examine the practical applications of Sample Comprehension Year 8 in daily life. This chapter will showcase real-world examples of how Sample Comprehension Year 8 can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Sample Comprehension Year 8 in specific contexts. The fourth chapter will explore how Sample Comprehension Year 8 is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, the author will draw a conclusion about Sample Comprehension Year 8. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Sample Comprehension Year 8.
