

# Deacon LETTER of Agreement

This Letter of Agreement is between the Right Reverend Thomas J. Brown, Bishop of Maine, and the Reverend **[insert first and surnames]**, whom the Bishop appoints to **[insert congregation or faith community's name]** in **[insert town or village or city]**, effective on **[insert date]**.

## Preface

The ministry of the deacon has its origins in the life and ministry of Christ and in the history of the early Church. All ministry, lay and ordained, reflects the theology and principles given to us through Baptism. Diaconal ministry is defined in both the Constitution and Canons of the Episcopal Church and the Prayer Book, including this text from the ordination liturgy for a deacon:

"God now calls you to a special ministry of servant hood directly under your bishop. In the name of Jesus Christ, you are to serve all people, particularly the poor, the weak, the sick, and the lonely...you are to make Christ and his redemptive love known by your word and example, to those among whom you live and work and worship. You are to assist the bishop and priests in public worship and in the ministration of God's Word and Sacraments, and you are to perform other duties assigned to you from time to time." *(The Book of Common Prayer, p. 543)*

Diaconal ministry embodies both servanthood and leadership. Deacons make a vow to serve directly under the bishop, and therefore, the deacon community is a resource to the diocesan community. However, in the exercise of diaconal ministry all deacons must work as leaders not only with lay leaders in congregations, but also with people in the wider local community. Importantly, deacons work under the supervision of the rector or priest in charge.

**Responses to 101 Questions on the Mass** Kevin W. Irwin, 1999 A thorough explanation of the parts of the Mass its historical theological and liturgical aspects and how it derives from and relates to daily life *Inferior Office* Francis Young, 2015-04-30 In spite of the centrality of the threefold orders of bishop priest and deacon to Anglicanism deacons have been virtually invisible in the contemporary Church of England *Inferior Office* is the first complete history of this neglected portion of the clergy tracing the church's changing theology of the diaconate from the Ordinal of 1550 to the present day Francis Young skilfully overturns the widely held belief that before the twentieth century the diaconate was merely a brief and nominal period of probation for priests revealing how it became an integral part of the Elizabethan defence of conformity and exploring the diverse range of ministries assumed by lifelong deacons in the seventeenth and eighteenth centuries Lifelong deacons often belonged to a marginalised lower class of the clergy that has since been forgotten an oversight of considerable importance to the wider social history of the clergy that is corrected in this volume

Inferior Office tells the story of persistent calls for the revival of a distinctive diaconate within the Victorian Church of England and situates the institution of deaconesses and later revival of the distinctive diaconate for women as well as subsequent developments within their wider historical context Set against this backdrop Young presents a balanced case both for and against the further development of a distinctive diaconate today offering much to further discussion and debate amongst clergy of the Church of England and all those with an interest in the rich tapestry of its history **The Epworth Herald**, 1902 **Renewal** Anne Hendershott, Christopher White, 2013-12-03 In the wake of the clergy abuse scandal of the last decade many media commentators predicted the end of the Catholic priesthood Demands for an end to celibacy coupled with calls for women's ordination dominated discussions on the effectiveness of the Catholic Church in America *Renewal* argues that rather than a decline of the priesthood and a diminishing influence of the Catholic Church we are living in a time of transformation and revitalization The aging generation of progressives that continues to lobby Church leaders to change Catholic teachings on reproductive rights same sex marriage and women's ordination is being replaced by younger men and women who are attracted to the Church because of the very timelessness of its teachings *A Complete Introduction to the Bible* Christopher Gilbert, 2009 *A Complete Introduction to the Bible* is an ideal resource for personal study as a classroom text or for use with Bible study groups Accompanying charts graphs maps and online study discussion questions for each chapter complement this presentation **BOOK JACKET** **The Old Greek Translation of Daniel 7-12** Sharon Pace Jeanson, 2023-10-31 Investigates whether differences between the OG translation and the Hebrew Aramaic parent text of Daniel 7-12 are due to intentional theological Tendenz as has been predominantly proposed in the past or to errors or the unintentional cross linguistic mechanics of translation or to a combination of these reasons Jeanson's investigation proceeds in five stages **Introduction to Forensic Science and Criminalistics, Second Edition** Howard A.
