Dear Sir / Madam,

I am writing to complain about the holiday your agency arranged for me and my family.

Because you spelt our name 'Brawn' instead of 'Brown' on the booking form, the hotel took two and a half hours to check us in. As a result of this, the hotel gave our room to someone else. Moreover, the room we got was much smaller. Therefore, our youngest child had to sleep in our bed. Consequently, no one got much sleep.

For these reasons, we would like a refund on the money we paid for our 'once in a lifetime' holiday. Furthermore, we would like a letter of apology from your agency for making our holiday so miserable.

Yours faithfully,

Practicing Writing Thomas M. Masters,2004-10-24 Practicing Writing examines a pivotal era in the history of the most ubiquitous and possibly most problematic course in North American colleges and universities the requireAd first year writing course generally known as freshman English Thomas Masters s focus is the mid twentieth century beginning with the returning waves of World War II veterans attending college on the GI Bill He then traces the education reforms that took place in the late 1950s after the launch of Sputnik and the establishment of composition as a separate discipline in 1963 This study draws upon archives at three midwestern schools that reflect a range of higher education options Wheaton a small sectarian liberal arts college Northwestern a large private university and Illinois a large public university Practicing Writing gives voice to those whose work is often taken for granted or forgotten in other studies of the subject freshman English students and their instructors Masters examines students papers professors letters and course descriptions and draws upon interviews conducted with teachers to present the practitioners points of view Unlike other studies of the subject which have tended to focus more on the philosophy theory and ideology of teaching composition and rhetoric Masters reveals freshman English to be a practice based phenomenon with a durable ideological apparatus By reexamining texts that had previously

been considered insignificant he reveals the substance of first year composition courses and the reasons for their durability
