Daily Graphic Ransford Tetteh, 2014-04-04 *Consumer Product Innovation and Sustainable Design* Robin

Roy, 2015-10-23. *Consumer Product Innovation and Sustainable Design* follows the innovation and evolution of consumer products from vacuum cleaners to mobile phones from their original inventions to the present day. It discusses how environmental concerns and legislation have influenced their design and the profound effects these products have had on society and culture. This book also uses the lessons from the successes and failures of examples of these consumer products to draw out practical guidelines for designers, engineers, marketers, and managers on how to become more effective at product development, innovation, and designing for environmental sustainability. **Fuzzy Logic For The Applications To**
