Noonan, 1999 Covers all significant eras of global history Encourages students to analyze evidence documents and other data to make informed decisions Develops essential writing skills

Teaching World History in the Twenty-first Century: A Resource Book Heidi Roupp, 2015-02-12 This practical handbook is designed to help anyone who is preparing to teach a world history course or wants to teach it better It includes contributions by experienced teachers who are reshaping world history education and features new approaches to the subject as well as classroom tested practices that have markedly improved world history teaching **Doing History** Linda S. Levstik, Keith C. Barton, 2011-01-26 Now in its fourth edition this popular text offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The central assumption is that children can engage in valid forms of historical inquiry collecting and data analysis examining the perspectives of people in the past considering multiple interpretations and creating evidence based historical accounts In each chapter the authors explain how the teaching demonstrated in the vignettes reflects basic principles of contemporary learning theory thus providing specific examples of successful activities and placing them in a theoretical context that allows teachers to adapt and apply them in a wide variety of settings New in the Fourth Edition Expanded coverage of world history in two new chapters Integration of new technologies to support history instruction Updated classroom examples bibliographies and references **Focus on World History** Kathy Sammis, 2002-09 *Modern World History for OCR Specification 1937* David Taylor, 2001 This student book is a foundation edition of the syllabus specific texts for GCSE Modern World History for ORC This text provides simplified versions of the core textbooks for students expected to gain grades C G **Cultural Change in Modern World History** Peter N. Stearns, 2018-12-13 In this innovative textbook leading world historian Peter Stearns analyses key examples of culture change from around the world highlighting what culture change involves and how it can be explained and assessed both historically and in the contemporary world Culture change is one of the most interesting and significant features of human society but until now there has been no book for the classroom which looks explicitly at this phenomenon Cultural Change in Modern World History covers different kinds and levels of culture change since 1500 from colonial culture contact in British India to modernization in Meiji Japan and changing attitudes towards gay marriage in the past decade considering how we should define culture change how to deal with causation and how to evaluate continuities and consequences Stearns addresses fundamental questions why do groups of people change their beliefs and values and what happens when they do Conversely why do some groups resist culture change and how do some manage to combine novel and more traditional

cultural components Figuring out how better to understand why groups or societies change their minds or refuse to do so provides a crucial perspective on human behaviors and values As the first book to explore this important question Cultural Change in Modern World History is a ground breaking text for students of world history cultural history and anthropology
