Seducing The Boss City Girl Series English Edition:

Shanghai Girls Lisa See, 2010-03-29 Shanghai 1937 Pearl and May are two sisters from a bourgeois family. Though their personalities are very different, Pearl is a Dragon sign, strong and stubborn, while May is a true Sheep, adorable and placid. They are inseparable best friends. Both are beautiful, modern, and living a carefree life until the day their father tells them that he has gambled away the family's wealth and that in order to repay his debts, he must sell the girls as wives to two Gold Mountain men, Americans. As Japanese bombs fall on their beloved city, the two sisters set out on the journey of a lifetime, one that will take them through the villages of southern China in and out of the clutches of brutal soldiers and even across the ocean through the humiliation of an anti-Chinese detention centre to a new married life in Los Angeles's Chinatown. Here they begin a fresh chapter despite the racial discrimination and anti-Communist paranoia because now they have something to strive for: a young American-born daughter, Joy. Along the way, there are terrible sacrifices, impossible choices, and one devastating life-changing secret. But through it all, the two heroines of this astounding new novel by Lisa See hold fast to who they are: Shanghai girls.

Eleanor Dark, 1901-1985 is one of Australia's most celebrated writers of the inter-war years. Born with the twentieth century, a Federation baby, she published ten novels; amongst them, one of the best-loved Australian stories of all time, *The Timeless Land*. Her life spanned successive global crises: two world wars, the economic depression of the 1930s, the Cold War, each issuing its own challenges to the artist and the people's writer she thought herself to be. By far the most privileged writer of her generation, her ultimate challenge was a personal one: to unlock the gates of her world-proof life to a society and a world in crisis. The first cross-cultural biography of this famous Australian writer, Marivic Wyndham's rich and controversial portrait of Eleanor Dark is based on extensive research of the author's public and private lives.
