ebullient humor The brilliance of his technical command allowed him to transform the tiniest of suggestions a fleetingly observed gesture an anecdote dropped at a dinner party into fiction remarkable for its lambent surfaces and intricate psychological counterpoint The twenty one stories in this volume represent James at the peak of his storytelling powers Among them are The Turn of the Screw one of his most popular works and a terrifying exercise in psychological horror centering on the corruption of childhood innocence The Real Thing a playful consideration of the illusion of art and the paradoxes of authenticity The Figure in the Carpet The Death of the Lion and The Middle Years three very different expositions of the mysteries of authorship embodying some of James s most profound insights into the nature of his own art The Altar of the Dead a somber ultimately wrenching meditation on the relation of the living to the dead and In the Cage an extended evocation of the inner life of a young woman trapped in a dehumanizing job at a postal and telegraph office
