NEW YORK, TUESDAY, JUNE 27, 1865.

## GEORGIA.

**The New Governor of the State—Reopen-  
ing of the Railroads,**

Ac., Ac., Ac.

The steamship Carolina, Captain Phillips, from Savan-  
nah on the 21st inst., arrived here yesterday.

### The Provisional Governor.

[From the Savannah Herald, June 26.]  
For the benefit of those who have not enjoyed any  
previous acquaintance with our new Governor we pro-  
ceed to lay before them what we know of his ante-  
cedents.

The gentleman's name—which, by the way, is James  
Johnson, and not Johnston—was formerly for some years  
identified with Georgia politics, having been elected from  
the Second District of this State in 1851, to serve for a two  
years term in the national House of Representatives.

This happened at the time when the Hon. Howell Cobb  
ran for Governor of the State of Georgia, as the consti-  
tutional Union candidate, against the Hon. Charles J.  
McDonald, who was the exponent of what was then  
known as the "Democratic and Southern" ticket.

## **Reconstruction Era Newspaper:**

**The Reconstruction Era** Donna L. Dickerson, 2003-12-30 As the sole purveyors of news and opinion Reconstruction era newspapers bent and spindled American public opinion with little regard for independent journalism and great regard for party politics In other words the newspapers of the Reconstruction era served political rather than social needs The issues facing the nation were momentous and opinions on how to deal with the problems were vigorously presented and defended Using editorials letters essays and news reports that appeared throughout the country's print media this book reveals how editors politicians and other Americans used the press to influence opinion from 1865 to 1877 Issues such as civil rights constitutional amendments a presidential impeachment Indian wars immigration and political corruption dominated the newspapers and gave journalists opportunities to advance their agendas Each of the 30 chapters of this book introduces an event or issue and includes news articles representing opposing sides of the issue as it affected Americans Readers can use the introductory essays and primary source documents to understand how newspapers and magazines presented vital events and issues to Americans of the day This invaluable reference source presents hard to find opinions in the words of those who wrote them

**Writing War and Reunion** Jeffery J. Rogers, 2020-08-25 A collection of Civil War and Reconstruction era journalism by one of the most popular and acclaimed authors of the antebellum South Nineteenth century writer William Gilmore Simms was once considered the South's premier literary figure with achievements including more than twenty major novels several volumes of poetry and biographies of important figures in American history Less well known are his newspaper writings which include fascinating and trenchant work from the era of the Civil War and Reconstruction Writing War and Reunion offers a selection of the best of Simms's articles and editorials from that period offering a window into his thoughts on the conflict and its deeply fraught resolution In the decades following the Civil War Simms's reputation suffered a steady decline Because of his associations with the antebellum South slavery and Confederate defeat as well as changes in literary tastes Simms came to be regarded as a talented but failed Southern author of a bygone era Today a robust scholarly literature has reexamined Simms and finds him to have been an important figure in

the development of nineteenth century American literature and worthy of serious study      **Lynching Reconsidered** William D.
