Boozehound Jason Wilson, 2010-09-21 While some may wonder Does the world really need another flavored vodka no one answers this question quite so memorably as spirits writer and raconteur Jason Wilson does in *Boozehound* By the way the short answer is no A unique blend of travelogue spirits history and recipe collection *Boozehound* explores the origins of what we drink and the often surprising reasons behind our choices In lieu of odorless colorless tasteless spirits Wilson champions Old World liquors with hard to define flavors a bitter and complex Italian amari or the ancient aromatic herbs of Chartreuse as well as distinctive New World offerings like lively Peruvian pisco With an eye for adventure Wilson seeks out visceral experiences at the source of production visiting fields of spiky agave in Jalisco entering the heavily and reverently guarded J. Germeister herb room in Wolfenbüttel and journeying to the French Alps to determine if mustachioed men in berets really handpick blossoms to make elderflower liqueur In addition *Boozehound* offers more than fifty drink recipes from three riffs on the Manhattan to cocktail geek favorites like the Aviation and the Last Word These recipes are presented alongside a host of opinionated essays that cherish the rare uncover the obscure dethrone the overrated and unravel the mysteries of taste trends and terroir Through his far flung intrepid traveling and tasting Wilson shows us that perhaps nothing else as entwined with the history of human culture is quite as much fun as booze **Unsafe Haven** Lucy Burdette, 2021-11-01 A chance meeting on the New York subway leads to the destinies of two very different women becoming intertwined with terrifying consequences in this nerve jangling thriller Sixteen year old Addison is on the run She's leaving her life on New York's streets behind for a new one with Rafe armed with just his phone number on a scrap of paper She's taking the subway to meet him in New Jersey He'll take care of her Or so she thinks Elizabeth Brown's world has fallen apart and she's thinking about her newly ex fiancé Until she locks eyes with a teenage girl while waiting for the train doors to open and a bundle is thrust into her arms as she leaves the subway A baby wrapped in a dirty coat Elizabeth phones the number she finds in the coat pocket Then wishes she hadn't Someone wants Addison and the baby And they'll do whatever it takes to get them
