THE STEALING OF EMILY - FATE OF CHILDREN THROUGH OUR COURT SYSTEM: The Stealing of Emily Martin Newbold, 2023-04-28 Emily's mum her children and myself have been waiting for justice since she died which has not been coming in ten years Caused by what is now known as the Mathew Alexander Thorpe's Lost Children who was Lord Justice brought to end post 2018 An equal or more to the original Thorpe scandal Rest in Peace Catherine put to rest in 2011 I promise I will fight for our child to my demise This is a piercing account of a justice system that faltered at its core Through a three pronged or tripod approach the book examines the uncertified judge who presided over jurisdictional errors and an unlawful ruse allowing perjury and deception to taint the judgment This miscarriage of justice not only denied Emily her rightful place with her family but also reflected systemic failures with at least 80 similar cases slipping through the cracks The 2012 Final Report from the Council of the Inns of Court COIC Disciplinary Tribunals and Hearings Review Group sought to address these deep seated issues Under the leadership of Brigadier Tony Faith CBE 85 recommendations were implemented to restore confidence in the administration of justice Yet despite these reforms the wrong done to Emily remains unrectified leaving her family in a limbo of unfulfilled promises This is one man's harrowing story of frustration and determination as he battled for access rights to his young daughter following the death of their mother in East Sussex Incredibly this journey was over ten years with countless communications ending in the PHSO The costs of this are estimated at a million pounds What should have been a simple dispute somehow resulted in a genuinely good man with true family values being slandered by the family courts who could not even press the start button on the stenograph to record the hearings Unlike others this has not gone public until now after reading two books on the subject based in 2006 and realising nothing had been updated despite statutory reviews required in law Engineering Design Graphics Journal , 2003
