especially if they have never owned or used an equatorially mounted Goto telescope before Since the first LXD55 models came out in early 2002 owners have struggled to find useful information to help them use the telescopes to the best advantage There have been mixed reactions about its quality and performance Hence this book is directed towards those who are new to Goto and the LXD telescope *The ShortTube 80 Telescope* Neil T. English, 2019-09-14 Welcome to the first comprehensive guide to one of the world's most popular telescopes the ShortTube 80 refractor With its ultra portability versatility and relatively low cost this telescope continues to delight generations of stargazers Starting in the field under a dark sky the author walks the reader through a typical evening of stargazing where the ShortTube 80 brings many astronomical treasures into focus From there he provides an in depth account of the optical properties of the ShortTube 80 refractor and the accessories and mounting arrangements that maximize its potential both as a spotting scope by day and an astronomical scope by night The main text discusses how the versatile ShortTube 80 can be used to study deep sky objects the Sun the Moon bright planets and even high resolution projects where the instrument's features can be optimized for the observation of tight double and multiple stars It explores how the ShortTube 80 can image targets using camera phones DSLRs and dedicated astronomical CCD imagers Packed with practical advice gained from years of firsthand stargazing experience this book demonstrates exactly why ShortTube 80 has remained a firm favorite among amateur astronomers for over three decades and why it is likely to remain popular for many years to come **Your Model Horse Collection** Reference Guide 2017 Kristin Chernoff, 2017-07-04 Breverfest 2017 Edition When I had 100 models I could still remember what I owned When I had 300 models I computerized my records and crated the first version of this list That was years ago Breyer had added thousands of new models and hundreds of new molds New and old companies have come and gone or changed names I m always looking for more information especially for companies and models not listed in this book Detail start to escape me was that the bay with 3 socks and black hooves or the bay with 3 socks and pink hooves of the bay with 4 socks version There is just too much information to remember I m an avid collector When I first started in the hobby there were no books available just box catalogs This book is meant to be a record of YOUR collection It is meant to be written in You can mark if you own it or just want it You can even write in a name for your model under the notes section See you at Breyerfest Samsung Galaxy Note 8 User Guide Mike Jacobs, 2017-10-29 This manual provides detailed user friendly information about how to use your Samsung Galaxy Note 8 mobile device With this manual you will learn about your mobile device assembly procedures its hardware how to set it up its features its applications and settings its connections battery life storage and the device's accessibility Once you have completed reading this manual it will be easier for you to use your new Samsung Galaxy Note 8 The CEO's Guide to the Investment Galaxy Sarah Keohane Williamson, 2025-09-23 Navigate the investment community with confidence to build great companies The CEO s Guide to the Investment Galaxy by Sarah Keohane Williamson provides indispensable insights for business leaders navigating the landscape of the global investment
