Epstein, Adriana Rejc Buhovac, 2014-04-02 Most companies today have some commitment to corporate social responsibility

but implementing these initiatives can be particularly challenging While a lot has been written on ethical and strategic

factors there is still a dearth of information on the practical nuts and bolts And whereas with most other organizational

initiatives the sole objective is improved financial performance sustainability broadens the focus to include social and

environmental performance which is much more difficult to measure Now updated throughout with new examples and new

research this is a complete guide to implementing and measuring the effectiveness of sustainability initiatives It draws on

Marc Epstein s and new coauthor Adriana Rejc Buhovac s solid academic foundation and extensive consulting work and

includes best practices from dozens of companies in Europe Asia North America South America Australia and Africa This is

the ultimate how to guide for corporate leaders strategists academics sustainability consultants and anyone else with an

interest in actually putting sustainability ideas into practice and making sure they accomplish their goals **Resources in**
