Teachers College. Institute of Educational Research. Division of Field Studies, 1927      School Smart Parent Gene I. Maeroff, 2012-05-02 A commonsense book that helps parents help their children get the most out of learning and school by indicating what should be happening at given levels of the child s education FROM CHAPTER ONE And so it is clear that the more parents can do to help their children reach full potential in school the more likely the children are to find fulfillment in the competitive era ahead This is a book meant to help parents achieve that goal it is a blueprint for success Parents must start early to groom their children for school By the time a child is three years old a substantial portion of his or her intelligence has already developed And by the age of six according to some experts the child s whole future is determined      *Resources in Education* , 2001      **The Civics Report Card** Lee F. Anderson, 1990 This report summarizes findings from two national surveys of U S civics achievement conducted by the National Assessment of Educational Progress Part 1 reports on a trend assessment of approximately 56 000 students at ages 13 and 17 carried out during the 1975 76 1981 82 and 1987 88 school years Chapter 1 summarizes national trends trends for demographic subpopulations trends in students ability to define democracy and trends in students ability to identify the value of multiple newspaper publishers Part 2 reports on patterns of achievement of fourth eighth and twelfth grade students in

1988 Chapter 2 summarizes the levels of civics proficiency across the grades Chapter 3 compares civics proficiency across subpopulations defined by gender race ethnicity region and other characteristics Chapter 4 explores students performance in specific content areas such as democratic principles and the purpose of government political processes and rights responsibilities and the law Chapter 5 describes the amount of instruction students reported receiving in civics while chapter 6 discusses the topics studied and the instructional approaches used in these classes Appendices contain procedural information and tables of statistical data that supplement the information in the text JB

**Learning to Read in Our Nation's Schools** Judith A. Langer,1990 To assess the reading achievement of American school children the National Assessment of Educational Progress NAEP surveyed nationally representative samples of approximately 13 000 students at grades 4 8 and 12 attending public and private schools across the nation Students read a variety of literary and informative passages and then answered a series of multiple choice and open ended questions designed to measure their ability to read and comprehend these passages In addition students provided background information about their reading experiences both in and out of school To supplement this information the teachers of fourth graders participating in the assessment completed a questionnaire about the instruction their students received Findings indicated that 1 the average reading proficiency of students increased substantially from grades 4 to 8 and less dramatically from grades 8 to 12 2 at all three grade levels there were great differences in reading proficiency according to socioeconomic status 3 more proficient readers reported home and school environments that emphasized academic achievement 4 students reported doing very little reading in school and for homework 5 students interest in books seems to decrease as they progress through school 6 emphasis on beginning reading instruction in grades 1 2 and 3 is overwhelmingly phonics based 7 instruction for most fourth graders is based on a single basal reader and 8 reasoning activities are not emphasized in class Extensive tables of data are included a procedural appendix and an appendix of data are attached NKA Kids Count New Jersey ... ,2012

**Developing Standards-Based Report Cards** Thomas R. Guskey,Jane M. Bailey,2010 Providing a clear framework this volume helps school leaders align assessment and reporting practices with standards based education and develop more detailed reports of children s learning and progress Urban Schools James Deneen,Carmen Catanese,2011-10-16 Urban Schools Crisis and Revolution describes America s inner city public schools and the failure of most to provide even a minimally adequate education for their students With numerous examples James Deneen and Carm Catanese argue that these failures are preventable Early chapters document the two tiered character of American public schools the tragic consequences of failing schools for millions of students mostly Black and Hispanic and the financial costs to American society In later chapters Deneen and Catanese describe the special problems of inner city schools and the changes in school organization and curriculum needed to overcome them They also provide examples of schools in severely disadvantaged communities in which such changes have enabled students to succeed academically graduate and enter college In the final chapters the authors examine the public

and non public school options available to urban parents They discuss school choice a hotly debated issue in urban education The book concludes with a plan consisting of six recommendations for reforming a failing urban school

**Sociology of Education** James Ainsworth, 2013-04-11 The sociology of education is a rich interdisciplinary field that studies schools as their own social world as well as their place within the larger society The field draws contributions from education sociology human development family studies economics politics and public policy Sociology of Education An A to Z Guide introduces students to the social constructions of our educational systems and their many players including students and their peers teachers parents the broader community politicians and policy makers The roles of schools the social processes governing schooling and impacts on society are all critically explored Despite an abundance of textbooks and specialized monographs there are few up to date reference works in this area Features Benefits 335 signed entries fill 2 volumes in print and electronic formats providing the most comprehensive reference resource available on this topic Cross References and Suggestions for Further Reading guide readers to additional resources A thematic Reader s Guide groups related articles by broad topic areas as one handy search feature on the e Reference platform which also includes a comprehensive index of search terms facilitating ease of use by both on campus students and distance learners A Chronology provides students with historical perspective on the sociology of education
