No Quest For The Wicked Enchanted Inc English Edition:

Secret of the Haunted Hotel Shanna Swendson, 2021-10-21 It's the event someone's dying to attend The grand opening party at a new bed and breakfast in a vintage farmhouse that's supposedly haunted poses quite the dilemma for Lexie Lincoln Most of the other guests are noted ghost hunters and since Lexie actually can see ghosts she'll know whether they're frauds and whether the inn really is haunted But showing what she knows or honestly reporting on what she sees and hears would make her sound like a tabloid reporter rather than a serious journalist Ghosts become the least of Lexie's concerns when a flash flood blocks the road out and then one of the guests is found dead Someone in the inn has to be a killer If they don't figure out who there could be more victims It's up to Lexie to enlist the aid of the resident ghosts to break the case and save them all but that may mean revealing her secret talent to the rest of the world Or is an angry ghost the real threat Case of the Vanishing Visitor Shanna Swendson, 2021-08-20 Is she missing or was she ever there As a newspaper reporter Lexie Lincoln knows a good story when she sees one and when a source doesn't show up for an interview and doesn't answer her phone Lexie feels certain there's something wrong This woman is a visitor to town on her own and vulnerable and Lexie may be the only person to realize she's gone missing The weird thing is that nobody else remembers seeing this woman even though Lexie met her during a busy night in her friend Margarita's restaurant That makes it hard for her to convince anyone that there's a problem After all Lexie can see ghosts most other people don't The woman Lexie talked to might not even have been alive Sure of her instincts Lexie sets out to learn more about the woman and what might have happened to her The plot thickens when the woman's car is found abandoned Now Lexie knows she didn't imagine the visitor but where is she and what happened to her As the clues line up Lexie starts to worry that they're just a bit too neat too much like a good story Now that the police are seriously investigating the woman's disappearance Lexie's credibility may be in danger if she got the story all wrong in the first place She has to find the truth before the police do and before her next issue goes to press if she doesn't want to be the editor who cried wolf Case of the Broken Bridge Shanna Swendson, 2022-09-22 Locking the doors may not keep a killer out Lexie Lincoln hoped the Saturday outing Wes Mosby planned would be a date a step toward defining their ambiguous relationship but it turns out to be something better a story Wes fears there was something shady about the construction of a bridge that collapsed in a recent storm It's out of his jurisdiction but he thinks Lexie's just the person to dig into it She suspects Wes might be right when the county engineer she calls about the bridge invites her to his house for a cookout instead of arranging an interview There must be something he doesn't want to discuss at the office But when she arrives he's nowhere to be found His family can't get into the house because it's locked from the inside After the police resort to kicking in a door they find him dead from an apparent suicide Or is it It doesn't make sense for him to invite Lexie over then kill himself before talking On the other hand there are those locked doors How could the killer have left Then again this is Stirling Mills where half the population can do seemingly impossible things Getting in and out in spite of locked

doors isn't out of the question. If it was murder, was he killed because of the bridge or was it something else? Either way, Lexie's investigation into the bridge has made her a target of threats. If she's dealing with someone willing to kill to keep her from finding and publishing the truth, and if that person can lock or unlock any door, she won't be safe until she brings the killer to justice.

Case of the Curious Crystals Shanna Swendson, 2020-10-29

Small time Crime Big time Danger

Of all the crimes to plague the idyllic small town of Stirling Mills, Texas, Lexie Lincoln never expected jewelry theft. But thieves are breaking into local homes, stealing cheap costume jewelry, and stirring up paranoia. When a ghost suggests that the jewelry may be more valuable than anyone realizes, Lexie finds herself delving into forgotten chapters of the town's strange history. It seems the jewelry might actually be valuable to those with the ability to use its power, and that poses a real danger as the crimes escalate. Lexie needs to track down the thieves before they can use the gems for nefarious purposes, and before the town tears itself apart with fear and suspicion. She can't exactly tell local cop Wes Mosby that she's getting hot tips from ghosts, so it's up to her to crack the case, stop the thieves, and foil their sinister agenda in time to save the town's spring festival.
