Interception: A Bully Ever After Steamy Gay Romance Novel Bro Biggly ,2024-09-19 A college football player like me is so not supposed to be involved in a secret gay romance But when I can't resist my delectable man of mystery is not supposed to vanish I should let Noah go but I'm not sure if he left voluntarily There's evidence he was taken against his will Winning quarterbacks just don't get ghosted all that often And you know what Whoever thinks they can disappear my man has another think coming I don't care who I have to knock down to get him back I'm going to bring him home safe And nobody's going to stand in my way Not Coach Not the team Not even the FBI This novel length steamy gay romance is the second book in the supremely spicy Bully Ever After gay romantic suspense series **The College Reader** Sue Lonoff de Cuevas,1993 Missing Reels Farran Smith Nehme,2014-11-12 New York in the late 1980s Ceinwen Reilly has just moved from Yazoo City Mississippi and she's never going back minimum wage job vintage store salesgirl and shabby apartment Avenue C walkup be damned Who cares about earthly matters when Ceinwen can spend her days and her nights at fading movie houses and most of the time that's left trying to look like Jean Harlow One day Ceinwen discovers that her downstairs neighbor may have just possibly starred in a forgotten silent film that hasn't been seen for ages So naturally it's time for a quest She will track down the film she will impress her neighbor and she will become a part of movie history the archivist as ing nue As she embarks on her grand mission Ceinwen meets a somewhat bumbling very charming 100% English math professor named Matthew who is as rational as she is dreamy Together they will or will not discover the missing reels will or will not fall in love and will or will not encounter the obsessives that make up the New York silent film nut underworld A novel as winning and energetic as the grand Hollywood films that inspired it Missing Reels is an irresistible alchemical mix of Nora Ephron and David Nicholls that will charm and delight **Ivy Cottage** David Martin,2012-10-29 After the preliminaries were out of the way Chris set about telling us the tale that would change our lives forever An old man lives in Ivy Cottage indeed he has lived there for more than a hundred years He has always been old for as long as anyone can remember All his friends have long since died out even the old folks down Forest Lane can't remember his name or what he looks like Hes just a strange old man with no friends or relatives No sons or daughters not even a pet to keep him company Throughout his entire life he has lived in Ivy Cottage He was born there or so we are told yet nobody can remember him being born Like I said he has always been old He lived in the house for many years with his old wife Neither of them has

come out in years nor have they spoken to any of the other people who live in the village at least not for many years There was perhaps a time when they were more sociable but that time is now long past They have seen all the changes Chellington has been through over the years right back to the origins of the village when it was nought but a few fields ploughed by our ancestors even in the days before Forest Lane sprung its houses Yet as the more modern housing began to emerge around the village in the sixties and seventies Ivy Cottage which used to be like the grand manor house has slowly been flanked by new housing estates and developments In the old days the old man owned lots of land spreading from where the pub stands past the church and up as far as the shop Of course the shop wasnt there then but he owned the land it is now built on In later years he sold some of the land and the new manor house was built This was a very sinister building with its black wrought iron gates and hedges to keep the sun out Many people think a vampire lives there but there isnt a vampire in that house Its just a story a way to keep us children out of the grounds People say it was built that way intentionally that it would deflect attention away from the real evil in Ivy Cottage I think for the most part it did As the years have passed by the old man sold more and more of his land so now all that remains is the land and garden where the house now stands As the old man grew even older the house got into a worse and worse state of repair all run down and dilapidated The last time anyone actually saw the old man in person was about ten years ago and he was really old then He put something into his car and went back indoors He was never seen again after that it was just him and his wife left to grow old together The old man and the old woman lived together for many years The village changed around them but they stayed exactly as they were is if they were stuck in a time warp or something Nobody ever saw anyone enter the house and nobody ever saw anyone leave either No one goes inno one comes out Nobody knows how they survived but somehow they did They never had any children that anyone knows of Some say they had a son once a long time ago but he died when he was a baby Nobody ever saw the child the woman just went from being heavy with child to no longer being heavy with child and nobody ever saw the tot alive It may even have been a still birth whatever one of those is Some people say that the old woman never spoke again after the death of her baby boy and this was when the old man started to go insane The pair lived alone in the big old house as silent as the grave for year after miserable year Around them new families came to live nearby but nobody ever came to say hello The old couple began to grow scared of the outside world and withdrew deeper into the dark bowels of Ivy Cottage Some say they even began to di
