Political Ideologies, Fourth Edition Andrew Heywood, 2007-06-15 This revised and updated fourth edition of the leading text on political ideologies contains a new chapter on multiculturalism consideration of the changing nature of ideological discourse including the transition from traditional to new ideologies and coverage of the impact on the major ideological traditions of developments such as globalization and the war on terror

The Politics of Vietnamese Craft Jennifer Way, 2019-10-03 Jennifer Way's study *The Politics of Vietnamese Craft* uncovers a little known chapter in the history of American cultural diplomacy in which Vietnamese craft production was encouraged and shaped by the US State Department as an object for consumption by middle class America Way explores how American business and commerce department stores the art world and national museums variously guided the marketing and meanings of Vietnamese craft in order to advance American diplomatic and domestic interests Conversely American uses of Vietnamese craft provide an example of how the United States aimed to absorb post colonial South Vietnam into the Free World in a Cold War context of American anxiety about communism spreading throughout Southeast Asia Way focuses in particular on the part played by the renowned American designer Russel Wright contracted by the US International Cooperation Administration's aid programs for South Vietnam to survey the craft industry in South Vietnam and manage its production distribution and consumption abroad and at home Way shows how Wright and his staff brought American ideas about Vietnamese history and culture to bear in managing the making of Vietnamese craft

The Transformation of American Political Culture and the Impact on Foreign Strategy PAN Yaling, 2021-12-30 This book examines the interplay between political culture and diplomatic strategy in the U S revealing the transformation of American political culture and its impact on the country's foreign strategy The theoretical pivot of this study is an analysis of the dynamics of political culture and the

mechanisms of the interaction between political culture and diplomatic strategy Given this premise the core chapters revisit the historical transformations of American political culture and analyze the responses and countermeasures taken to attempt to reverse the perceived decline in American hegemony during the presidencies of George W Bush Barack Obama and Donald Trump factors interwoven with security economic and institutional crises The discussion describes the landscape and evolution of contemporary American political culture and the correlated adjustments of U S global strategy over the course of the twenty first century Given the myriad of challenges and political legacies left by its predecessors the author gives a pessimistic prognosis of the prospect of resolving America s political plight by the Joe Biden administration The title will be a valuable reference for academic and general readers interested in American politics U S diplomatic strategy and international relations

Principles and Politics in Contemporary Britain Mark Garnett,2013-10-28 This book shows the importance of political ideas in policy making and demonstrates the extent to which pragmatic considerations preclude the imposition of rigid ideological programmes It charts the decline of the postwar British consensus the changing face of both the Conservative and Labour parties under the long shadow of Thatcherism and the growing emergence of single issue policies such as environmentalism and feminism With an extensive bibliography and suggested seminar and essay topics Principles and Politics can be used on any course which focuses on contemporary British politics as well as having general appeal to those interested in looking at the contemporary political and ideological debate in the context of wider issues and trends This second edition is completely revised and updated

The Statesman's Yearbook 2024 Palgrave Macmillan,2024-01-03 Now in its 160th edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions

Gender and Political Analysis Johanna Kantola,Emanuela Lombardo,2017-03-15 A major new text on gender and politics by two leading authorities which introduces the main issues and debates about the politics of gender and its role in both domestic and international politics and feminist approaches to political analysis

Music and Politics James Garratt,2019 Changes our picture of how music and politics interact through a rigorous and wide ranging reappraisal of the field

The State of Political Science in Western Europe Hans-Dieter Klingemann,2007-03-20 This volume is the definite statement on the current state of political science as a discipline in Western Europe Detailfour chapters portray European developments To know about the historical development the organization of teaching and research professional communication and the chances of students of political science in the job market is of essential importance to political scientists university administrators and policy makers national European and global This is particularly true after the Bologna Declaration when universities across Europe were asked to adopt 1 a system of easily readable and comparable degrees 2 a system based on two cycles 3 the establishment of a common system of credits 4 to increase student and teacher mobility 5 to assure quality standards and 6 to improve the European dimension in

teaching The book informs on these general issues and reports country specific developments *Politics in the Republic of Ireland* John Coakley, Michael Gallagher, 2017-12-01 Politics in the Republic of Ireland is now available in a fully revised sixth edition Building on the success of the previous five editions it continues to provide an authoritative introduction to all aspects of the government and politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyses and interprets the background to Irish government and contemporary political processes It devotes chapters to every aspect of contemporary Irish government and politics including the political parties and elections the constitution the Taoiseach and the governmental system women and politics the role of parliament and Ireland's place within the European Union Bringing students up to date with the very latest developments especially with the upheaval in the Irish party system Coakley and Gallagher combine substance with a highly readable style providing an accessible textbook that meets the needs of all those who are interested in knowing how politics and government operate in Ireland *Young People, Media and Politics in the Digital Age* Vera Slavtcheva-Petkova, 2023-10-27 The book explores the relationship among young people politics and the media It presents a novel multidimensional analytical framework The Circle Line Media Model which accounts for the importance of a range of processes actors and social structures in the political socialisation process By defining political socialisation as a lifelong interactive process that develops civic cultures collective identities and citizenship underpinned by social structures nationality and generational order the author draws attention to its manifestation in acts of political participation and interactions with authoritative actors such as school teachers family the media and friends peers The volume's longitudinal study on young people Europe and the media spanning 13 years of research in two very different countries also makes recommendations for more effectively engaging young people with politics and political media based on Generation Z's own views about current deficiencies in their relationship with news media Shedding new light on the changing nature of young people's engagement with politics this book will be of interest to researchers lecturers professors and upper level undergraduate and postgraduate students in the fields of media studies communication and journalism studies as well as politics and sociology **The Christian Right & US Foreign Policy in the 21 st Century** Mohd Afandi Salleh, 2020-01-07 This book is about the role of the Christian Right in the US foreign policy decision making process It reveals that the Christian Right has long been fascinated with some international issues in general and US foreign policy in particular The interest of the movement in international issues increased markedly during the George W Bush administration 2000 2009 During this period the movement successfully widened its activism from domestic social conservative issues to foreign policy issues by participating in articulating and lobbying for its religious version of American foreign policy In assessing the role of the Christian Right in US foreign policy making this dissertation examines aspects of US foreign policy namely Israel international religious freedom and global humanitarianism Based on these three aspects the Christian Right is seen as skilled in framing and defining issues The Christian Right seems effective in selecting and prioritizing international

issues that have a reasonable chance of being picked up on by foreign policy decision makers especially in Congress Moreover the Christian Right has shown its maturity in seeking engagement and cooperation with other organizations regardless of whether they are secular or religious to advance its international goals Finally in pursuing and conveying its international agenda the Christian Right has adopted a more moderate and mundane approach Instead of using its traditional religious rhetoric the Christian Right has successfully projected its foreign policy preferences into the conventional realist discourse of American foreign policy that was largely based on the objective of national interest and national security

Political Theory Andrew Heywood,2015-03-13 This leading text provides a concise and broad ranging introduction to the contemporary study of political theory Each chapter discusses a cluster of interrelated concepts and examines how they have been used by different thinkers and traditions and explores related debates and controversies The fourth edition of this highly successful and accessible book has been substantially revised and updated and includes extra attention throughout to non Western approaches and international political theory Systematically covering the foundational concepts that have focused debate from Aristotle Rousseau Marx and Mill to the present day this is essential reading for undergraduate and postgraduate courses on political thought and political philosophy With increased discussion of the global dimensions of political thought it will appeal to an international audience as well as to those lecturers interested in broadening their students horizons New to this Edition Increased coverage throughout of non Western and post colonial approaches with Beyond the West features on Islamic Buddhist Chinese Indian African Latin American and other traditions Takes the blurring divisions between Politics and International Relations into account for instance through a new chapter on Security War and World Order Thinking Globally boxes and added discussions of transnationalism and cosmopolitanism Additional attention is paid to issues of identity and diversity to address contemporary political developments **The Statesman's Yearbook**

2025 Palgrave Macmillan,2025-01-10 Now in its 161st edition The Statesman s Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions **Key Concepts in Anti-Discriminatory Social Work**

Toyin Okitikpi,Cathy Aymer,2009-11-19 This is a key text that provides a well rounded introduction to anti discriminatory social work placing this underpinning concept within the context of theory methods policy legislation and skills It will be of immense value to students practitioners and service users An excellent book John MacDonough London South Bank University Addressing both the ideas underpinning anti discriminatory practice and more practice oriented approaches this is an accessible book which will be of benefit to social work students and practitioners Amanda Thorpe University of Bedfordshire This Key Concepts clearly and concisely explains the basic ideas in the field of anti discriminatory social work It Explores the range of discriminations that people experience and discusses a number of theories that inform Anti discriminatory practice Considers the legal frameworks within which anti discriminatory practice operates Analyses the

skills and knowledge required to practice effectively Highlights the dynamic nature of anti discriminatory practice and points the way towards a new practice dimension Provides an essential reference guide for all social work students and practitioners as well as those taking courses in teacher training youth and community nursing mid wifery and mental health studies for whom anti discriminatory practice is an important element in their study

Research Methods for Political Science David E. McNabb, 2015-07-17 Thoroughly updated more concise than the previous edition and available for the first time in paperback Research Methods for Political Science is designed to help students learn what to research why to research and how to research The text integrates both quantitative and qualitative approaches to research in one volume and includes the most comprehensive coverage of qualitative methods currently available It covers such important topics as research design specifying research problems designing questionnaires and writing questions designing and carrying out qualitative research and analyzing both quantitative and qualitative research data Heavily illustrated classroom tested and exceptionally readable and engaging the text also provides specific instructions on the use of available statistical software programs such as Excel and SPSS

Exploring British Politics Mark Garnett, Peter Dorey, 2016-04-14 Exploring British Politics is a concise comprehensive and accessible guide to the subject Fully updated and revised the new edition covers the 2015 general election and recent developments in the role of political parties changes in party ideology the UK s relationship with the European Union and the future of the UK itself Designed to stimulate critical analysis and provoke lively debate it provides new perspectives on two key themes the health of British democracy and the transition from traditional models of government to more flexible forms of governance The special features of the new edition include Comprehensive analysis of the 2015 general election and the 2014 referendum on Scottish independence A focus on topical controversies such as the relationship between politicians and the media and the arguments for and against Human Rights legislation Explanation of the ways in which British governments have responded to dramatic social change and to serious economic challenges in an era of globalisation Extensive guides to further reading at the end of each chapter Whilst it provides the essential historical background for a full understanding of British politics contemporary issues are to the fore throughout and readers are encouraged to scrutinise what is often taken for granted and to develop their own thoughts and ideas Whether studying the subject for the first time or revisiting it Exploring British Politics is the ideal undergraduate text

Comparative Hong Kong Politics Mathew Y. H. Wong, 2017-04-03 This guidebook for students offers a survey of comparative politics intended for use in Hong Kong Hong Kong is one of the world s great cities but its political future has never been hazier Mass protests contested elections a 2047 transition causing uncertainty in financial and business elites for Hong Kong it is the best of times as well as the worst of times Hong Kong University politics scholar Matthew Wong brings a clear headed and fact based approach introducing Hong Kong to scholars of comparative politics even as he introduces comparative politics to students in Hong Kong with this new area specific reference work a mix of theory and insights into how political theory can be of value in

understanding the case of Hong Kong complete with datasets and quantitative information that helps to disentangle fact from myth For Hong Kong residents scholars students and members of civil society this book will be a breath of fresh air **The Politics of South African Cricket** Jon Gemmell, 2004-03-31 The Politics of South African Cricket analyses the relationship between politics and sport in particular cricket in South Africa South African Cricket embraces an ethos that is symbolic of a wider held belief system and as such has distinctive political connotations in the region Sport in South Africa is certainly influenced by forces beyond the playing field but politics too can be influenced by the social and economic force of sport Focusing on the sports boycott as a political strategy Jon Gemmell analyses the relationship between sport and politics through a historical analysis of South African cricket He employs case studies to explore the relationship between politics and South African cricket and argues convincingly that cricket assisted the reform process by undermining the legitimacy of the apartheid regime
