## Of The Plowden Report:

Perspectives on Plowden (RLE Edu K) R Peters, 2012-05-04 The Plowden Report Children and their Primary Schools 1967 had a huge impact on education in the latter 20th century but at the time was labelled as left wing and of no practical use to the problems of education in the 1960s The contributors to this volume were all concerned with the educational thinking of the Plowden Report and its appropriateness or otherwise to the educational needs of the day In quarters where the Plowden Report was treated as an authoritative textbook the views in this volume provide a valuable critique

**Readings for Reflective Teaching** Andrew Pollard, 2002-01-01 This unique book provides the reader with a mini library of over one hundred readings containing both classic and contemporary readings international contributors material drawn from books and journals An essential reference resource in its own right Readings for Reflective Teaching also contains numerous cross references to Andrew Pollards Reflective Teaching

The Urban Primary School Meg Maguire, Tim Wooldridge, Simon Pratt-Adams, 2006-05-16 This book offers an in depth understanding of the unique challenges and contributions of urban primary schools The authors set urban education in the wider social context of structural disadvantage poverty oppression and exclusion and reassert some critical urban educational concerns Recognising that practice needs to be informed by theory they provide a strong theoretical framework alongside contemporary ethnographic data Drawing on their extensive experience in urban primary schools as well as numerous case studies the authors present a fresh and stimulating view of urban primary schools which will inspire education professionals and academics alike The Urban Primary School is essential reading for teachers and trainee teachers in urban primary schools as well as for students of education policy makers parents and school governors

*Child-Centred Education* Christine Doddington, Mary Hilton, 2007-09-27 Against an increasingly authoritarian background of testing and instruction concern is growing about disengagement and loss of depth and quality in education at all levels Child Centred Education seeks to explore the role of Primary education within this debate The book will inspire teachers and head teachers seeking to make their practice more genuinely educational The authors capture the current opinion that primary schools can begin to reclaim some of their autonomy be innovative and become more creative Based on wide ranging research the book sets out to revive the creative alternative to the rigid and impoverished learning experienced by too many primary school children The authors Trace the origins and history of the child centred tradition Set out its fundamental beliefs and values Explore its place in education today This book is for teachers school governors local authority officers undergraduate and postgraduate teacher training and professional development courses

Primary Education-- at a Hinge of History? Colin Richards, 1999 Colin Richards traces the perennial and emergent issues that have to be understood in order to influence the future of primary education in the post Plowden era that began in 1967

**Border-crossing in Education** Joëlle Droux, Rita Hofstetter, 2018-02-02 Border crossing in Education comprises a series of case studies covering a variety of cultural areas in order to reveal the density of

connections and exchanges that inform educational practices policies and systems It attaches particular importance to individual and collective actors that govern these flows initiating promoting or reconfiguring transfers of policy models The contributors explore various aspects of the circulatory mechanisms that have been deployed in the field of education during the modern and contemporary period Varying the observation scales from local to international they demonstrate the multilateral character of the circulatory dynamics observed The implementation of rich and varied approaches to these complex processes offers a perspective that complements and renews our knowledge of the genesis and evolution of educational policies and systems most notably highlighting their foreign inspirations However these studies do not merely evoke borrowings and hybridization as if national borders proved porous or non existent Instead they show that the phenomena of resistance reinterpretation and rejection are also an integral part of transnational mechanisms of exchanges The book thus demonstrates the relevance of a historical approach in addressing these transnational mechanisms in the field of education and childhood policy This book was originally published as a special issue of *Paedagogica Historica*

**Theoretical Approaches in Psychology** Matt Jarvis,2000 The book introduces and outlines the six main approaches and considers how each has helped psychologists understand human behaviour thought and feeling

*Who Cares About Education?* Eric Macfarlane,2016-11-30 We all have opinions on education but how far do we

understand the powerful forces that shape the learning experiences of our children and young people Eric Macfarlane takes a critical look at the traditions government policies and individual ideologies that currently determine priorities in our schools colleges and universities His disturbing conclusion is that we are fast losing sight of the basic principles that underpin effective learning and teaching Who Cares About Education is a call for concerted action from all who share an interest in young people and the way in which we prepare them for adulthood This wise book will speak to a wide range of audiences and prove an important resource for a generation of teachers parents and young people who sense that something has gone very wrong in today s system Melissa Benn Eric Macfarlane has a real gut feeling for what education should be about At a time when discussion is mainly about exam results and giving schools new titles he provides a forceful reminder of what really matters in educating our young people Chris Green MBE Education remains political dynamite with teaching professionalism and autonomy constantly undermined and school leaders flung aside like football managers in a bad season That s why we need books like Eric Macfarlane s restoring perspective channelling rage providing historical context and voicing solutions It s a book for all who care about real education Geoff Barton Eric Macfarlane shares his passion for a broad and balanced curriculum and emphasises the enormous benefits of the arts as a serious part of every child s education and well being His book will empower us to ensure accessibility to the arts for future generations Dame Evelyn Glennie Eric Macfarlane has taught in and been head of both secondary modern and grammar schools He was the founding principal of Queen Mary s College one of Hampshire s pioneering 16 comprehensive colleges and has been an LEA adviser examiner and assessor of several different initiatives to improve the learning and teaching processes in both schools and universities Whilst Principal of Queen Mary s College he was seconded to Keble College for a year to assist with the Oxford Department of Education s introduction of a school based teacher training course He worked at the University of Surrey and Birkbeck College promoting the Enterprise in Higher Education initiative before becoming academic staff adviser in University College London Eric has had a long association with out of school learning initiatives and was chair of the Governing Council of the Active Training and Education Trust He received the OBE in the Queen s Birthday Honours List in 1988

**In Turbulent Skies** Peter Reese, 2020-01-24 In 1945 confidence in British aviation was sky high Yet decades later the industry had not lived up to its potential What happened The years that followed the war saw the Brabazon Committee issue flawed proposals for civil aviation planning Enforced cancellations restricted the advancement of military aircraft compounded later on by Defence Minister Duncan Sandys abandoning aircraft to fixate solely on missiles Commercially Britain s small and neglected domestic market hindered the development of civilian airliners In the production of notorious aircraft the inauspicious Comet came from de Havilland s attempts to gain an edge over its American competitors The iconic Harrier jump jet and an indigenous crop of helicopters were squandered while unrealistic performance requirements brought about the cancellation of TSR2 Peter Reese explores how repeated financial crises a lack of rigour and fatal self satisfaction led British aviation to

miss vital opportunities across this turbulent period in Britain's skies      *Unpopular Education* CCCS,2013-02-01 Published in the year 2006 *Unpopular Education* is a valuable contribution to the field of Media and Cultural Studies      **Education Policy** Ian Abbott,Michael Rathbone,Phillip Whitehead,2012-11-12 A splendid read Via interviews with several Secretaries of State for Education and a supporting analytical commentary *Education Policy* provides a fascinating insight and historical appraisal of English policy rationale Dr David Kitchener Reader in Education University of Bolton This book should be compulsory reading not only for people interested in the history of education policy but also for policy makers to remind them of what has gone before Dr Andrew Townsend University of Nottingham From Butler to Balls and beyond this essential book illuminates educational issues in England and Wales since WWII drawing on extensive documentary evidence Inside you will find in depth interviews with former Secretaries of State for Education and other key decision makers including Ed Balls David Blunkett Michael Gove Alan Johnson Ruth Kelly The interviews cover the historical context of their period of office and the lasting legacy of their policies This is a must read for Masters level students on Education courses and PGCE programmes and will be valuable to undergraduates studying modern history and social policy Ian Abbott is Director of the Warwick Institute of Education Mike Rathbone was previously Director of Continuing Professional Development in the Institute of Education Phil Whitehead is the course leader for the secondary PGCE Teach First All are at the University of Warwick      **Schooling and Equality** Dave Hill, Mike Cole,2013-10-16 This text covers the range of equality issues in school level education from the perspective and needs of educators trainee teachers and students of education It uses a blend of issues concepts facts and research to open up key issues and consider policy developments in the field      EBOOK: Early Childhood Studies: A Multiprofessional Perspective Liz Jones,Rachel Holmes,John Powell,2005-11-16 A celebration of the tremendous strides made towards the achievement of a multiprofessional early years workforce and a challenge to those responsible for training the next generation of professionals Students and trainers policy makers and practitioners have a duty to be knowledgeable to be able to reflect on their beliefs and practice and to articulate concerns share their views convey their enthusiasm and act as advocates for young children This book will help them do just that Lesley Abbott OBE Manchester Metropolitan University *Early Childhood Studies* critically engages the reader in issues that relate to young children and their lives from a multiprofessional perspective Whilst offering a theoretically rigorous treatment of issues relating to early childhood studies the book also provides practical discussion of strategies that could inform multiprofessional practice It draws upon case studies to help the reader make practical sense of theoretical ideas and develop a critical and reflective attitude Hard and pressing questions are asked so that beliefs ideas views and assumptions about notions of the child and childhood are constantly critiqued and reframed for the post modern world The first part of the book explores the early years power and politics by looking at child rights the politics of play families and working with parents and carers The second part explores facts and fantasies about childhood experiences such as anti discriminatory

practice the law child protection and health issues The final section encourages the reader to explore what childhood means from historical ideological and cultural perspectives and looks at how popular assumptions arise This is a key critical text for early childhood students academics and researchers as well as practitioners who want to develop their reflective practice

Advisory Councils and Committees in Education Maurice Kogan,Tim Packwood,2023-02-03 First published in 1974

Advisory Councils and Committees in Education is an analytical account of the role of advisory councils and committees in creating and promulgating educational policies The book reviews systematically the content of twenty eight reports starting with the Hadow Report of 1926 in terms of developments in educational philosophy government and administration social policy and the economics of education It also analyses the membership and working of the committees The study is based on historical and organizational analysis It is concerned not only with what the councils did but takes up the wider questions of the place of such councils and committees in educational government and their relevance for changing assumptions about other ways in which government is advised This book will be of interest to students of education pedagogy and public policy
