Hamilton,2022-06-28 Angels walk among us but so do other unearthly beings in this brand new series by 1 New York Times bestselling author Laurell K Hamilton Meet Detective Zaniel Havelock a man with the special ability to communicate directly with angels A former trained Angel speaker he devoted his life to serving both the celestial beings and his fellow humans with his gift but a terrible betrayal compelled him to leave that life behind Now he s a cop who is still working on the side of angels But where there are angels there are also demons There s no question that there s evil at work when he s called in to examine the murder scene of a college student but is it just the evil that one human being can do to another or is it something more When demonic possession is a possibility even angelic protection can only go so far The race is on to stop a killer before he finds his next victim as Zaniel is forced to confront his own very personal demons and the past he never truly left behind The first in a new series from the author of the Anita Blake and Merry Gentry series *The Songs of Angels* G.A. Weston,2007-02-13 The nature of man appears to be on a downward spiral Although a few true souls filter into Heaven the borders of Hell are rapidly expanding to accomodate the remainder and God stands by with indifference watching the crisis unfold When certain Angels begin to express their distress God has to act and Heaven has to decide whether it is wise to interfere once more in the mortal realm The plan that is finally decided does not sit comfortably with all the factions of Heaven nor possibly God himself An Angel shall return to Earth as a twenty first century prophet and live the life of a mortal However the choice of Angel is controversial and some in Heaven would prefer this individual to fail In an age where man believes that he knows virtually all there is to know an Angel as defenceless as any other human soul takes the lonely journey into mortal life His mission is to stem the tide of souls entering Hell by any means he considers fit But there will be no helping hand from Heaven he will sink or swim by his own actions his own worth his own belief **The Ministry of Angels Here and Beyond** Mrs. Joy Snell,1920
