African Americans in the Colonial Era Donald R. Wright, 2017-02-24 What are the origins of slavery and race based prejudice in the mainland American colonies How did the Atlantic slave trade operate to supply African labor to colonial America How did African American culture form and evolve How did the American Revolution affect men and women of African descent Previous editions of this work depicted African Americans in the American mainland colonies as their contemporaries saw them as persons from one of the four continents who interacted economically socially and politically in a vast complex Atlantic world It showed how the society that resulted in colonial America reflected the mix of Atlantic cultures and that a group of these people eventually used European ideas to support creation of a favorable situation for those largely of European descent omitting Africans who constituted their primary labor force In this fourth edition of African Americans in the Colonial Era From African Origins through the American Revolution acclaimed scholar Donald R Wright offers new interpretations to provide a clear understanding of the Atlantic slave trade and the nature of the early African American experience This revised edition incorporates the latest data a fresh Atlantic perspective and an updated bibliographical essay to thoroughly explore African Americans African origins their experience crossing the Atlantic and their existence in colonial America in a broadened more nuanced way

The Ruling Passion Christopher Lane, 1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of

the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery

Of Human Bondage W. SOMERSET MAUGHAM, 2020-04-28 ANNOTATIONS Biography of W Somerset Maugham About *Of Human Bondage* *Of Human Bondage* Summary Character List Glossary Themes Quotes Analysis Symbols Allegory and Motifs Metaphors and Similes Irony Imagery Literary Elements Essay Questions *Of Human Bondage* is one of the most famous novels of English writer William Somerset Maugham The novel was written in 1915 The protagonist Philip Carey is an orphan and is with a lame leg which makes his life very difficult The novel itself is considered as an autobiographic as there are many details from Maugham's life Maugham had a stammer and Phillip had a club foot as well as the main character Maugham has lost his mother when was a child and was sent to his uncle and aunt Maugham also was very interested in art though did not practice it himself This all gives an impression of an autobiographic novel but as Maugham said himself even though this is true the novel is not an autobiographical most of it is fictional The title is borrowed from Spinoza's *Ethics* part IV *Of Human Bondage* or the Strength of the Emotions The idea of bondage as an inability of people to take control over their emotions became a monument point for Maugham to develop the plot In the beginning of the 20th century 9 year old Philip Carey became an orphan and was sent for bringing up to his uncle in Blackstable His uncle was a vicar and did not feel soft feelings toward his nephew but in his house Philip found a lot of different books which helped him to forget about his solitude In the school where he was sent he was mocked at because of his club foot These mocking made him very timid and bashful it seemed to him that suffer was his destiny Philip begged God to make him healthy and after it had not happened he was the only one he blamed He thought that his faith was not strong enough He hated school and there was no way he considered continuing his education at Oxford as his uncle wanted Philip himself wanted to study in Germany and he managed to achieve his aim In Germany Philip got acquainted with Hayward and got under his influence Hayward was talented and rather out of the common The arguments of Hayward with other people about religion and literature left a very significant track in Philip's soul in one moment he understood that did not believe in God anymore was not afraid of hell and a human should be responsible for his deeds only before himself Having returned from Germany to England Philip met a daughter of the former Mr Carey's assistant in Blackstable She was about 30 mincing and rather flirtatious At first Philip did not like her but even

though she became soon his lover Being very proud Philip wrote Hayward about his love affair describing it very vividly and romantically But in fact when Ms Wilkinson left he was rather relieved but he felt a little sad because the reality did not coincide with the dreams Mr Carey having already accepted the Philip's unwillingness to study at Oxford sent him to London to become a clerk But this profession was not for Philip and without friends he felt really lonely in a big city But then he got a letter from Hayward with an invitation to go to Paris and study there art It seemed to Philip that this idea had been maturing in his soul as well and disregarding his uncle's objections Philip left for Paris There he joined the artistic studio and met a girl called Fanny Price She was rather unattractive and not neat Nobody could stand her because of her rudeness and self conceit even though she had little talent in drawing But she helped Philip to adapt to circumstances and he stayed very grateful The life of Paris bohemia changed Philip's world outlook he did not consider anymore ethical tasks the main for art but as before saw the life in the spectrum of Christian virtue *Of Human Bondage* W.
