with the variety of science fiction horror fantasy strange unusual and revenge thrown in for good measure in *Shadows Beyond the Flames and Other Stories* *The Queen of Spades and Other Stories* Alexander Pushkin, 2009-01-29 The Queen of Spades has long been acknowledged as one of the world's greatest short stories In this classic literary representation of gambling Alexander Pushkin explores the nature of obsession Hints of the occult and gothic alternate with scenes of St Petersburg high society in the story of the passionate Hermann's quest to master chance and make his fortune at the card table Underlying the taut plot is an ironical treatment of the romantic dreamer and social outcast This volume contains three other major works of Pushkin's fiction moving from the witty parodies of sentimentalism and high melodrama in The Tales of Belkin to an early experiment with recreating the past in Peter the Great's Blackamoor It concludes with the novel length masterpiece The Captain's Daughter which combines historical fiction in the manner of Sir Walter Scott with the colour and devices of the Russian fairy tale in a narrative of rebellion and romance These new translations as well as being meticulously faithful to the original do full justice to the elegance and fluency of Pushkin's prose The Introduction provides insightful readings of the stories and places them in their European literary context A chronology of the Pugachov Uprising illuminates the events in The Captain's Daughter ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *The Transformation and Other Stories* Franz Kafka, 1992 Presents a collection of short stories including Meditation In the Penal Colony and The Judgement ***The Cossacks and Other Stories* Leo Tolstoy, 2006-09-28** In 1851 at the age of twenty two Tolstoy joined the Russian army and travelled to the Caucasus as a soldier The four years that followed were among the most significant in his life and deeply influenced the stories collected here Begun in 1852 but unfinished for a decade The Cossacks describes the experiences of Olenin a young cultured Russian who comes to despise civilization after spending time with the wild Cossack people Sevastopol Sketches based on Tolstoy's own experiences of the siege of Sevastopol in 1854-55 is a compelling consideration of the nature of war while Hadji Murat written towards the end of his life returns to the Caucasus of Tolstoy's youth to explore the life of a great leader torn apart by a conflict of loyalties Written at the end of the nineteenth century it is amongst the last and greatest of Tolstoy's shorter works ***"The Sting of Death" and Other Stories* Toshio Shimao, 2020-06-01** Until a recent boom Shimao Toshio writer of short fiction critic and essayist was not widely known even in Japan He has never won the Akutagawa or the Naoki Prize and none of his works had previously appeared in English translation He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English Yet there are those who consider him to be one of the best contemporary writers in Japan This volume by no means exhausts the scope of Shimao's fiction There are no stories here

for instance about childhood or student life and none of his many travel stories Some of his most famous stories When we Never Left Port for example have not been included But the stories presented here do offer a considerable variety of style from the pristine storybook language of *The Farthest Edge of the Islands* to the young intellectual s jargon of *Everyday Life in a Dream* to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of *This Time That Summer* Shimao s approach to his material varies as well *Everyday Life in a Dream* is the only representative here of a large number of stories usually called surrealist by the critics stories whose plots progress by the logic of dreams The individual experience of real life are lived through a combination of conscious and unconscious perception These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction *The Farthest Edge of the Islands* is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault All but the first story *The Farthest Edge of the Islands* which is in third person narration are told in the first person by the character who plays Shimao s role in the life that inspired the fiction
