Offspring Of God Origin Manifestation Of The New Creation:

Offspring of God Rudi Louw, 2015-01-07 Unless a man is born from above he cannot SEE John 3:3 The original word used is *anouthen* see more the Kingdom of God We must understand that being born from above as the original language puts it is the realization that we originated in God in the mind of God and that Jesus Christ is the physical manifestation of that original design and that that realization or awakening to that truth is our re birth into that original life and that original relationship with our Maker our Father our Genesis our Origin if you will The kingdom of God the reign of God's image and likeness His character His love His person is made visible again on earth as it is in heaven now tangible in human form in Jesus and now also in those who SEE these things and BELIEVE Jesus intended for Nicodemus and for the rest of us who grasp the conversation He had with Nicodemus to discover that our attraction to Him as an individual is founded upon the fact that man is more than the fruit of his mother's womb That which is born of the flesh is flesh Man's natural features and identity reveals a glimpse of his parents But there is another womb that man comes from the womb of the spirit that which is born of the Spirit is spirit Man's birth is not merely by the desire of an earthly parent John 1:13 but Man exists by the desire of God Man comes from above I knew you before I formed you in your mother's womb Jeremiah 1:5 If man did not come from above then the heavenly realm would offer no appeal or attraction to him In our very make up we are the God kind His image His likeness with an appetite for more than what bread and the senses natural existence sight hearing touch smell and taste could satisfy us with We are designed to hunger for the Logos that comes from above from a dimension where the original thought about us remains preserved and intact without contamination It is that very logic that very word that became flesh in Jesus And that then is what the gospel and the New Creation is all about Schleiermacher on Christian Consciousness of God's Work in History Abraham Varghese Kunnuthara, 2008-01-01 This work is a fresh unusually lucid approach to Christian theology and interfaith dialogue from India Its basic aim is to examine the Christian consciousness of God's work in history redemption history within the entire history of the world It uses *Christian Faith* by Friedrich Schleiermacher 1768-1834 as its main text so as to view this theme in a reversed order from the way it is presented there This approach which centers on God's new creation in Christ leads to an incisive understanding of Christianity's relation to other modes of faith Throughout Dr Kunnuthara compares the thought of another Indian Christian leader steeped in Hindu thought Pandippedi Chenchiah 1886-1959 to enable renewed interfaith dialogue across a wide spectrum **The Divine Afflatus: a Force in History** Shirley (Mass.). United society, 1875 **Hogg's Instructor**, 1853 *In the Beginning* Andrew Myers, 2015-01-15 Humanity's thirst for answers to the unknowns in the universe appears insatiable Was it God did it evolve or is it a combination of the two Or is it something else What about all of the seeming biblical contradictions and similarly the wave of conflicting scientific ideas In the Beginning undertakes the monumental task of navigating through the unending maze of biblical concepts and scientific information It takes a look at the origins of the universe and the earth from their inception and it continues its journey up to

the first chapters of Genesis Perusing the timeline of these earliest days it explores the historical relevance of creation in light of modern science Amidst it all In the Beginning investigates humanity's place in creation and examines other biblical notables such as Adam and Eve Abraham Noah and Satan The exploration doesn't stop there further topics include prehistoric man continental shift global flooding giants the Garden of Eden the Tower of Babel heaven and hell and much more Take a biblical step back in time to discover the truth about the earth's origins **Eschatology** Freeborn Garretson Hibbard, 1890

Romans Albert Barnes, 1856 **John Verse by Verse** Grant R. Osborne, 2018-05-02 John is at once the most complex and the easiest to understand of all the Gospels. If we want a young seeker or new believer to read something that is both clear and filled with the gospel and good basic theology we give them the Gospel of John. And if we want to study an incredibly deep theological masterpiece that stretches the brightest mind we open the Gospel of John. It is the most evangelistic account of Jesus' life and ministry and it also gives the mature Christian deep theological truths to chew on. In *John Verse by Verse*, respected New Testament scholar Grant R. Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel. He writes, "If I were teaching a course in college or seminary on creative writing, John's Gospel would be set alongside Shakespeare as models of brilliant characterization and plot. It is perhaps Osborne's favorite book of the Bible and enthusiasm for it shines on every page." The Osborne New Testament Commentaries, by respected professor and author Grant R. Osborne, are for people seeking a straightforward explanation of the text in its context, avoiding either oversimplification or technical complexity. Osborne brings out the riches of the New Testament, making each book accessible for pastors and all who consider themselves students of Scripture.

Athanasius, Archbishop of Alexandria, in Controversy with the Arians: Four discourses of S. Athanasius against the Arians: discourse 2, discourse 3, discourse 4** Saint Athanasius (Patriarch of Alexandria), 1844 *Bridge Of Eternity* Edmund Clark Travis, 2022-11-03 A view of the eons or of the ages. When the sovereignties and authorities and powers of the universe were created, they were of spirit only, having no comprehension of righteousness or salvation and least of all faith to know God. Their souls were eternal and could not die a final death. God knew He must provide a way for them to enter a dying state and then become a new creation, one that would come to know God by their own faith. He made the eons in Christ Jesus, a world of tangible and visible substance which could be seen and heard and touched. He brought the souls of those beings into the eons to place them in human bodies. God made Adam and placed him in the garden of Eden. He told Adam not to eat from the tree of the knowledge of good and evil for the day he disobeyed Him, he would begin to die. When Adam ate of that tree, he did begin to die. Every human being after Adam inherited the same dying state. These are souls of celestial beings having become the souls of humanity. Paul termed this process both the powerful operation of God and the untraceable riches of Christ. See Eph 3:7-12. This was the multifarious wisdom of God acting in accord with the purpose of the eons and made in Christ Jesus, our Lord. Now when Jesus has placed all his enemies under his feet and hands the entire kingdom over to his God and Father, those celestial beings shall be nullified. They will have become swallowed up by humanity and become an all new creation and God shall be All in all. See 1 Corinthians 15:24-28. ECT
