Ryan Kinkaid Mysteries :

An Unwanted Request G. Jay, 2015-12-17 Ryan Kinkaid and his husband Timothy York witness a crime that others are quick to write off as an accident. Not surprisingly, Ryan can't dismiss it so easily even though the victim is someone he despises. In this fifth Ryan Kinkaid adventure, summer has come again. Ryan is trying to stop thinking about the events of last spring and a diversion arrives when Lavinia Walsh Preston, the older sister of Nicholas Walsh, comes back into his life albeit briefly. With Ty's help, they work together to discover the identity of the person who killed the cold-hearted woman by pushing her down a flight of stairs, with their only clue being the male voice they had previously heard speaking with her. Working under the radar at first, their pursuit quickly takes a new direction as the hunters become the prey. Meredith and Lauren, Jason and Eric, even Brownie are all here again, enhancing this tale.

Spring Rite G. Jay, 2014-10-23 A peaceful Sunday morning is transformed for gay antique dealer Ryan Kinkaid when he reads a report in the local newspaper of a teenage boy found dead in a field a few miles away from the Portsmouth, New Hampshire home where he lives with his partner Ty. It's not where the body was found that concerns Ryan. It was the boy's mother's fear that her son had been killed by a bully. Bullied himself when he was younger, Ryan feels an obligation to stand up for the victim and find the killer even though he had promised Ty last winter that he wouldn't get involved in any more dangerous pursuits. But his commitment falters when Andrew Colfax, Ty's supervisor and a younger, extremely attractive man, causes Ryan to question his lover's fidelity. As this story unfolds and his initial assumptions are refuted, emotions that Ryan has long since suppressed return and force him to ask himself whose side he is on: the victim's or the killer's.

Winter Justice G. Jay, 2013-12-02 For gay antique dealer Ryan Kinkaid, winter starts off much colder than the low temperatures would indicate and threatens his happy new life with Ty in Portsmouth, New Hampshire. Ryan can't remain idle when his best friend Jason Norkowski is a suspect in the death of Grumman Myers, a wealthy art collector and philanthropist. From the start, the odds are stacked against his streetwise friend. Ryan is bent on proving that a Park Avenue socialite, the only other person in the Beacon Hill residence that night, is the true culprit. Unfortunately, discovering her possible motive is like spotting a white rabbit in a snowstorm. In this tale of unshakable friendship, Ryan must leave his beloved Ty and return to Manhattan to find answers. Time is of the essence as Ryan must, with the help of Lauren and Ty's mother, untangle a web of lies and deception before his friend is charged with murder. That prospect alone comes close to destroying Jason, and in a fevered passion to prove Jason's innocence, Ryan begins to unravel a history of betrayal, revenge, and greed that may prove to be his own undoing.

Autumn Reveal G. Jay, 2013-12-21 The adventure continues for gay antique dealer Ryan Kinkaid as he settles into his new life with his partner Ty in Portsmouth, New Hampshire. After he purchases a desk at a local estate sale, Ryan finds that he got more than just another antique to sell in his shop. In a sealed drawer of the desk, he finds an old diary with blood stains on the last written page. Against Ty's better judgment, Ryan is determined to learn the truth behind the secret that the diary holds. Whose blood is on the last page? Is it

the diary's author or someone else's. And is that person alive or dead? In his pursuit of the answers, Ryan learns that politics does indeed make strange and twisted bedfellows. His concern is heightened when he learns that someone else is in search of the diary; someone he suspects wants to make sure that nothing is revealed this autumn or any other season. As Ryan explores the cracks in the foundation of a proud political family, Ty must reveal his own secret and come out to his family. In this second tale of family secrets, the truth tests the morality of the members of a family, one of whom will even consider murder.

Diane Donovan, regarding *Once Gone*: A complete bundle of the 23 books in *THE MAKING OF RILEY PAIGE* and the *RILEY PAIGE MYSTERY* series. *THE MAKING OF RILEY PAIGE* takes readers back 20-plus years to how Riley's career began: 22-year-old psychology major and aspiring FBI agent Riley Paige finds herself in a battle for her life as her closest friends on campus are abducted and killed by a serial killer. She senses that she, too, is being targeted and that if she is to survive, she must apply her brilliant mind to stop the killer herself. When the FBI hits a dead end, they are impressed enough by Riley's keen insight into the killer's mind to allow her to help. Yet the killer's mind is a dark, twisted place, one too diabolical to make sense of and one that threatens to bring Riley's fragile psyche crashing down. In this deadly game of cat and mouse, can Riley survive unscarred? In the *RILEY PAIGE MYSTERY* series, women are turning up dead in the rural outskirts of Virginia, killed in grotesque ways, and when the FBI is called in, they are stumped. A serial killer is out there, his frequency increasing, and they know there is only one agent good enough to crack this case: Special Agent Riley Paige. Riley is on paid leave, herself recovering from her encounter with her last serial killer, and fragile as she is, the FBI is reluctant to tap her brilliant mind. Yet Riley, needing to battle her own demons, comes on board, and her hunt leads her through the disturbing subculture of doll collectors, into the homes of broken families, and into the darkest canals of the killer's mind. As Riley peels back the layers, she realizes she is up against a killer more twisted than she could have imagined. In a frantic race against time, she finds herself pushed to her limit: her job on the line, her own family in danger, and her fragile psyche collapsing. Yet once Riley Paige takes on a case, she will not quit. It obsesses her, leading her to the darkest corners of her own mind, blurring the lines between hunter and hunted.
