health **Lateral Cooking** Niki Segnit, 2019-11-05 A groundbreaking handbook the method companion to its critically acclaimed predecessor *The Flavor Thesaurus* with a foreword by Yotam Ottolenghi Niki Segnit used to follow recipes to the letter even when she'd made a dish a dozen times But as she tested the combinations that informed *The Flavor Thesaurus* she detected the basic rubrics that underpinned most recipes *Lateral Cooking* offers these formulas which once readers are familiar with them will prove infinitely adaptable The book is divided into twelve chapters each covering a basic culinary category such as Bread Stock Soup Stew or Sauce The recipes in each chapter are arranged on a continuum passing from one to another with just a tweak or two to the method or ingredients Once you've got the hang of flatbreads for instance then its neighboring dishes crackers soda bread scones will involve the easiest and most intuitive adjustments The result is greater creativity in the kitchen *Lateral Cooking* encourages improvisation resourcefulness and ultimately the knowledge and confidence to cook by heart *Lateral Cooking* is a practical book but like *The Flavor Thesaurus* it's also a highly enjoyable read drawing widely on culinary science history ideas from professional kitchens observations by renowned food writers and Segnit's personal recollections Entertaining opinionated and inspirational with a handsome three color design *Lateral Cooking* will have you torn between donning your apron and settling back in a comfortable chair **Diabetes Recipes from Around the World** Jane Frank, 2012-11-15 Over 100 international recipes designed to help maintain a healthy blood glucose level without sacrificing flavor Today worldwide there are approximately 200 million people with diabetes more than two million of those are in the UK with at least a million more thought to have diabetes but not yet aware of it Diabetes is indeed a serious disease but it is still possible to lead a relatively normal life The key to coping successfully with diabetes is self management and the most important aspect of self management is making healthy food choices In this book Jane Frank explains exactly what diabetes is its likely causes and how to manage it by improving your lifestyle and discusses the principles behind healthy eating the glycaemic index GI of foods and their glycaemic load She has collected over 100 recipes from many different cuisines around the world including Spanish Moroccan Thai and Indian recipes She has picked out dishes that will help you keep blood glucose on an even keel as well as being nutritionally balanced tasty and easy to cook Some of these recipes are traditional dishes reworked to be more diabetes friendly whilst others are new recipes using culinary traditions from many different countries Each recipe carries an easy to read traffic light code for the glycaemic load as well as a nutritional analysis showing calories proteins carbohydrate and fat content So if you have diabetes or if there is someone in your family who does you will all be able to enjoy a delicious healthy normal diet by following this practical down to earth collection of recipes meals and menus *Flour and Breads and their Fortification in Health and Disease Prevention* Victor R Preedy, Ronald Ross Watson, Vinood B. Patel, 2011-02-17 Bread and flour based foods are an important part of the diet for millions of people worldwide Their complex nature provides energy protein minerals and many other macro and micronutrients However consideration must be taken of three major aspects related to flour and bread The first is that not all

cultures consume bread made from wheat flour There are literally dozens of flour types each with their distinctive heritage cultural roles and nutritive contents Second not all flours are used to make leavened bread in the traditional i e Western loaf form There are many different ways that flours are used in the production of staple foods Third flour and breads provide a suitable means for fortification either to add components that are removed in the milling and purification process or to add components that will increase palatability or promote health and reduce disease per se Flour and Breads and their Fortification in Health and Disease Prevention provides a single volume reference to the healthful benefits of a variety of flours and flour products and guides the reader in identifying options and opportunities for improving health through flour and fortified flour products Examines those flour and bread related agents that affect metabolism and other health related conditions Explores the impact of compositional differences between flours including differences based on country of origin and processing technique Includes methods for analysis of flours and bread related compounds in other foods *Global Dishes* Caryn E. Neumann, Lori L. Parks, Joel G. Parks, 2023-06-30 Winner 2024 RUSA Outstanding Reference Award Through an interdisciplinary approach that shows how food can reflect a culture and time this book whets the appetite of students for further research into history anthropology geography sociology and literature Food is a great unifier It is used to mark milestones or rites of passage It is integral to the way we celebrate connecting a familial and cultural past to the present through tradition It bolsters the ill and soothes those in mourning The dishes in this text are those that have come to be known within a part of the world and culture but also have moved beyond those borders and are accessible and enjoyed by many in our ever smaller and more interconnected world Featuring more than 100 recipes and detailed discussions of dishes from across the globe *Global Dishes Favorite Meals from around the World* explores the history and cultural context surrounding some of the best known and favorite foods The book covers national dishes from more than 100 countries including large nations like Mexico and small countries like Macao There is also coverage of foods beloved by Indigenous peoples such as the Sami of Scandinavia Traditional favorites are offered as well as newer dishes **Edible Economics** Ha-Joon Chang, 2023-01-17 *Edible Economics* brings the sort of creative fusion that spices up a great kitchen to the often too disciplined subject of economics For decades a single free market philosophy has dominated global economics But this intellectual monoculture is bland and unhealthy Bestselling author and economist Ha Joon Chang makes challenging economic ideas delicious by plating them alongside stories about food from around the world using the diverse histories behind familiar food items to explore economic theory For Chang chocolate is a lifelong addiction but more exciting are the insights it offers into postindustrial knowledge economies and while okra makes Southern gumbo heart meltingly smooth it also speaks of capitalism s entangled relationship with freedom Myth busting witty and thought provoking *Edible Economics* serves up a feast of bold ideas about globalization climate change immigration austerity automation and why carrots need not be orange It shows that getting to grips with the economy is like learning a recipe when we understand it we can adapt

and improve it and better understand our world *Bowls of Goodness: Vibrant Vegetarian Recipes Full of Nourishment* Nina Olsson, 2018-06-18 Good food comes from a good source and is made from scratch at home with love Nina's recipes are always vegetarian and often vegan Her food philosophy is all about balance and fun This is wholesome vegetarian food at its best inspired by cooking from around the world It captures many of the ongoing culinary trends today home cooked comfort meals plant based recipes power bowls sharing dishes salads smoothies and porridges foods that can all be served in a bowl The chapters include Morning Bowls Comforting and Energising Soups Fresh and Delicious Salads Grain Bowls Noodles Zoodles and Pasta Hearty Bowls Gatherings and Sweets With recipes including a Cosmic Green Smoothie a Buddha Bowl Creamy Avocado and Crispy Kale Soba Noodles a Laksa Luxe Bowl and Chai Poached Pears with Coconut Ice Cream this book gives you easy recipes brimming with vitality and health *Fire and Ice* Darra Goldstein, 2015-10-13 2016 James Beard Award nominee 2016 International Association of Culinary Professionals IACP nominee for Best International Cookbook and 2016 Art of Eating Prize longlist finalist Bringing the best of Scandinavian home cooking into your kitchen *Fire and Ice* Classic Nordic Cooking offers over 100 delicious recipes that showcase this region's most beloved sweet and savory dishes Scandinavia is a region of extremes where effortlessly chic design meets rugged wilderness and perpetual winter nights are followed by endless days of summer and *Fire and Ice* proves that Scandinavian cuisine is no exception Founding editor of *Gastronomica* and the West's leading culinary authority on the cuisines of the European North Darra Goldstein explores the rich cultural history and culinary traditions of Denmark Finland Norway and Sweden From the bold aroma of smoked arctic char to the delicate flavor of saffron buns and from the earthy taste of chanterelle soup to the fragrant aroma of raspberry rose petal jam this beautifully curated cookbook features over 100 inspiring and achievable recipes that introduce home cooks to the glorious and diverse flavors of Nordic cooking **Whole Grains and Health** Rikard Landberg, Nathalie Scheers, 2021-05-19 **WHOLE GRAINS AND HEALTH** The updated guide to whole grains and their integral role in nutritional health In an increasingly health conscious society the potential benefits of whole grain products are of paramount importance to manufacturers dieticians and consumers alike *Whole Grains and Health* covers all aspects of this crucial topic presenting a data driven study of whole grains functional components associated biomarkers and overall impact upon human health Now in its second edition the text has been revised and expanded to include six new chapters and groundbreaking new data This essential guide features Summaries of large research projects on the health effects of whole grain in Europe and the US New data on the associations between whole grain consumption and risk of developing chronic diseases Discussions of metabolomics and their use in addressing health effects and finding new biomarkers of both dietary exposure and health effects related to the diet Information on the use of genomics in studies of how gene expression profiles change in response to whole grain intake Newly identified bioactive compounds in whole grains and whole grain fractions The new EU regulations on health claims that affect whole grain food products Providing information that will be of interest to food
