

Intermediate Accounting Volume 1

CHAPTER 1 – The Development of the Accounting Profession

- The primary purpose of accounting is to provide quantitative information, about economic entities, that is to be used as the basis for formulation of economic decisions.
- A branch of accounting called management accounting is designed to meet the information needs of these internal users.
 - Internal Users
 - Active Owners and Managers
- The general purpose reports provided to external users are called the financial statements, which are the product of a broad branch of accounting called financial accounting.
 - External Users
 - Inactive Users
 - Creditors and Lenders
 - Suppliers
 - Potential Investors
 - Taxing Authorities
 - Regulatory Bodies
 - Employees and Employees Unions
 - Financial Analyst
 - Advisers and General Public
- Users may also be categorized as direct or indirect
 - Direct Users – use financial information as a tool to protect their own interest in the enterprise.
 - Owners
 - Managers
 - Creditors
 - Suppliers
 - Customers
 - Employees
 - Taxing Authorities
 - Indirect Users – use accounting information to provide advice to or protect the interest of a direct user.
 - Regulatory Agencies – protect the interest of the investors and the public
 - Labor unions – protect the interest of the employees
 - Financial and Legal Consultants – provide advices and assistance to their clients who may be customers, lenders or suppliers of the firm
- Accounting primarily provides information that can be measured and expressed in terms of units of measure. The monetary unit is generally the unit of measure used in communicating accounting information.
- Accounting Entity Concept – the concept that separates the personality of the enterprise from that of its owners and other stake holders. An accounting entity is capable of controlling its own economic resources and incurring economic obligations.

Misguided Notions Garrett Williams, 2011-07-22 Americas public schools are in decline and in need of urgent reform. Once the envy of the entire world, the American public school system now struggles to keep pace with other industrialized nations and is falling further behind with each passing decade. This disturbing trend raises two important questions: Why did our schools decline? What must we do to make our schools great again? To answer these questions, *Misguided Notions* goes back to the roots of human civilization and retraces the development of education over the last ten thousand years. Along the way, a wise reformer offers warnings based on his eyewitness accounts of the collapses of history's greatest civilizations. The evidence is clear: when schools discard tried and proven principles of education and when society abandons its core values, both will collapse. The commonsense solutions offered in *Misguided Notions* combine proven old school educational principles with the advantages of modern technology. Teachers, principals, school board members, parents, community leaders, and politicians perplexed by the lack of answers to the current dilemma in public education can find enlightenment in *Misguided Notions*.

Intermediate Accounting J. David Spiceland, James Sepe, Lawrence A. Tomassini, 2005-11 Adopters and reviewers praise *Intermediate Accounting 4e* by Spiceland, Sepe, and Tomassini for its superior readability, strong supplements package, learning system, good EOC, real world flavor, consistent quality, and high student engagement. *SST 4e* will gain support in both traditional and progressive accounting departments, especially those looking for a more concise decision-making text that reinforces challenging concepts. The authors have created a flexible text with a student-friendly writing style that focuses on explaining not only how to apply a procedure but why it's applied. *SST 4e* is built around a Learning System designed to prepare students for the new CPA exam and the business world by emphasizing decision-making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student. *SST 4e* also provides a flexible and consistent supplemental package for instructors.

Intermediate Accounting I Essentials Eldon Bailey, 2013-01-01 REA's Essentials provide quick and easy access to critical information in a variety of different fields ranging from the most basic to the most advanced. As its name implies, these concise, comprehensive study guides summarize the essentials of the field covered. Essentials are helpful when preparing for exams, doing homework, and will remain a lasting reference source for students, teachers, and professionals. *Intermediate Accounting I* includes background accounting theory and practice, basic financial statements, cash, receivables, inventories, investments, and property, plant, equipment, and intangible assets.
