Omerta Nayanna Watson,2017-08-24 Life is all about the choices you make who you can trust and the sacrifices you go through But what happens when your life takes a toll on you and the people you once trusted you cant trust anymore And the people you start to trust are the wrong ones Look at Niyahs life and how the trials and tribulations in her life guide her into the arms of the enemy shes been looking for all along Will she let her loyalty overlook her love Or will she be so wrapped up in her love that she breaks the code of silence

She Makes the Dopeboys Go Crazy 2 B. Love,2016-09-04 Your father is safe Word has been spread that he is now under the protection of John the Baptist No one and I mean no one will bring him any harm for Salem or anyone else Nasir In a matter of days Meya s life changed drastically Not only did she learn that her father was behind the murder of Salem s parents but that Salem planned to seek revenge turning him into her most dangerous enemy instead of her most dangerous ally As if that wasn t enough to crush her soul Meya finds out that the man that has been targeting them is not only her enemy but her lover Nasir s true identity as John the Baptist is revealed When Meya finds out Nasir admits that she d been the target all along but more than that she had become his heart and hope for a normal future It was never in his plans to fall for her but Nasir was just as susceptible to Meya s alluring aura as anyone else Her ability to make the dope boys go crazy has put her in a position to be taken from Memphis and held captive by the man she loathes most Will she somehow slip from Nasir s grip and into Salem s arms Or will her search for love and happiness die in the hands of the man who promised to give her both Read the finale of She Makes the Dopeboys Go Crazy to find out

The Other Side of Mercy Ken Armstrong,Jonathan Martin (Newspaper reporter),2010 On a fall morning in the Pacific Northwest in a coffee shop with four police officers as customers a burst of gunfire announced a shocking ambush that devastated the Puget Sound and swept up everyone from judges in Tacoma to prison officials in Arkansas to candidates for president of the United States The story of that morning s violence spans the decades and ripples across state lines It is a story of our nation s racial divide of southern prison farms and an act of grace of festering hate and missed opportunities to stop a man going mad For its coverage of the shootings and the manhunt that followed the Seattle Times won the 2010 Pulitzer Prize for breaking news Now the newspaper s staff goes deeper telling the story of a charismatic felon a minister with his eyes on the White House and what can lie on the other side of mercy So often when someone does something shocking people want to know What was he thinking What was Timothy McVeigh thinking

What about those kids at Columbine In western Washington in the fall of 2009 Maurice Clemmons planned to do something shocking And he left no doubt what he was thinking The Other Side of Mercy draws upon a stunning trove of records including a hundred plus hours of Clemmons recorded telephone conversations to describe in remarkable detail Clemmons past and the steps he took along the way to committing one of the worst crimes in the modern history of the Pacific Northwest The Other Side of Mercy recounts Clemmons childhood in a small Arkansas town that had descended into chaos and economic ruin Racial hostilities were such that sniper bullets flew and buildings were firebombed Clemmons turned to burglary and robbery and at the age of seventeen was shipped off to a prison farm system so notorious that it was memorialized in the movie Brubaker Drawing upon a prison file eighteen hundred pages thick The Other Side of Mercy takes readers inside the prison barracks and into the fields as Clemmons racks up enemies extorting other inmates and waging fights with makeshift weapons Clemmons makes a plea for mercy to Mike Huckabee the Arkansas governor who later runs for president After managing to win his freedom Clemmons moves to Washington state and becomes both predator and prey dealing drugs while dreaming of wealth through a variety of fantastical enterprises He believes Donald Trump will make him rich That he can game the Bank of America That a self proclaimed prophet in New York City holds the key to prosperity Clemmons descends into madness while making plans of striking back at the people he blames for his lost youth and uncertain future
