A Road Through Bushes Shah Ishtiyaz Mehfooze, 2015-02-23 A love story meant for all generations, especially the youths. This book contains comedy, romance, and tragedy. Firstly, the readers would feel electrified and enthusiastic before that they would laugh, and at last, I bet they would cry. The story is based on the fact how our society reacts to love and how the concept of love is ill-treated. Sam, who wanted to become a writer, and Saba, who wanted to become a doctor, both from a village, met each other when they were students and eventually fell into love. Sam, knowing the consequences of loving someone, took it as a challenge. He believed he would change the perceptions of the conservative people who hate love. He promised to turn around the lives of one another to set an example. But Sam is a dull student in science subjects, and Saba is very brilliant. They gave lessons to each other, day and night, and even exchanged high-class romance. Their aims got changed. Saba, who wanted to become a doctor, aspires to become a writer, and Sam, who was dull in science subjects, is now a doctor of 35 but is never happy with his life; he is alone. Read and find out.
