censorship modesty fear of personal criticism or simple divertissement In many cases it was an ethical choice especially for ecclesiastics The Italian case provides a key perspective on the study of anonymity in the European context contributing to the analysis of an overlooked topic in academic studies MLN. ,1921 Provides image and full text online access to back issues Consult the online table of contents for specific holdings Augustin Thierry: Social and Political Consciousness in the Evolution of a Historical Method Rulon Nephi Smithson,1972 General Catalogue of Printed Books British Museum. Department of Printed Books,1962 **As If God Existed** Maurizio Viroli,2012-09-09 Religion and liberty are often thought to be mutual enemies if religion has a natural ally it is authoritarianism not republicanism or democracy But in this book Maurizio Viroli a leading historian of republican political thought challenges this conventional wisdom He argues that political emancipation and the defense of political liberty have always required the self sacrifice of people with religious sentiments and a religious devotion to liberty This is particularly the case when liberty is threatened by authoritarianism the staunchest defenders of liberty are those who feel a deeply religious commitment to it Viroli makes his case by reconstructing for the first time the history of the Italian religion of liberty covering its entire span but focusing on three key examples of political emancipation the free republics of the late Middle Ages the Risorgimento of the nineteenth century and the antifascist Resistenza of the twentieth century In each example Viroli shows a religious spirit that regarded moral and political liberty as the highest goods of human life was fundamental to establishing and preserving liberty He also shows that when this religious sentiment has been corrupted or suffocated Italians have lost their liberty This book makes a powerful and provocative contribution to today s debates about the compatibility of religion and republicanism
