Off the Rails Beppe Severgnini, 2019-02-12 In this witty and entertaining collection of travel tales an acclaimed journalist explores his obsession with trains and what his rail journeys have taught him about culture and identity I've gone around the world in installments Every trip has been a revelation I've watched regions nations and continents change moods and I've met more people on trains than in forty years of airplane flights Every train trip has been a spectacle Trains are stages caf s bazaars The only talk show that will never go off the air Beppe Severgnini has spent his life traveling the world and not just because he's a journalist he's a passionate unflagging train buff Off the Rails recounts some of his favorite trips across Europe Australia Asia and the United States each journey bringing readers not only to a different place but to a different time from his honeymoon on the Trans Siberian Express in a four person compartment to a winding journey from Russia to Turkey during the last summer of communism to a recent coast to coast trip with his son from Washington D C to Washington State Off the Rails is the perfect getaway for anyone with a touch of wanderlust who dreams of escape or just likes to laugh Filled with memorable characters and perceptive observations it demonstrates hilariously what unites us With the world in chaos and life in perpetual fast forward it's always the right time to hop on board with Beppe Severgnini and meet your charming hapless quarrelsome romantic shifty quirky endearing neighbors
