

# Introduction: Ruby Payne

- Poverty is relative:
- Poverty occurs in all races and countries.
- SES is a continuous line, not a clear distinction.
- Generational poverty is different from situational.
- These statements are patterns not absolutes.
- Each SES level has its own hidden rules.
- Schools and business follow middle class rules.
- We must understand the hidden rules of those in different SES for them to be successful.
- Teach and provide support, do not scold for their hidden rules.
- To move from poverty to middle class, one must give up relationships for achievement.
- You need education and relationships to move from poverty.
