

RUGBY LEAGUE GAME

By James Kirkup

Born 1918 – 2009 (91) | Conscientious objector in WWII
Left England in the 1960s when one of his poems was
banned. Very prolific – spent time in Japan where he
mastered the art of Haiku. Lived in Spain.

Tone of witty witicism. Light, sat., conversational
style. Beside the wisdom and fine irony is a ruthless
commentary on the human condition.

Title creates expectation of glorious competition. To
be part of a league suggests competitive status. But
ironically the content of the poem contradicts this.

Sport is absurd, and sad.
Those grown men ~~just~~ look
In those dreary long blue shorts.
Those ringed stockings, Edwardian,
Balding ~~pates~~, and huge
Fat knees that ought to be heroes'

Crown of a man's head – losing hair – manhood.

Official rugby terms used

Grappling, hooking, gallantly ~~licking~~ –
Is all this courage really necessary?
Taking their good clean fun
So solemnly, they run each other down
With earnest keenness, for the honour of
Viney, the cap, the country side

Sarcasm – words in descending order of importance
results in ridicule – the country side contradicts the
expectation of a grand ideal / ambition.

Overgrown / incongruous

Like great boys roll each other,
In the mud of public Saturdays,
Groping their blind way back
To noble youth, away from the bank
The wife, the gram, the spin drier
Back to the Spartan freedom of the field.

Contradiction – silly / tragic

Players are no longer young – suggests they are
doing something childish / no longer appropriate.

Appeal to reader – involves them.

They are kicked out in a uniform which makes them
look foolish.

Edward (King of England from 1901 – 1910) seems
old fashioned – from a bygone era.

Disgust – sneering – opposite of his idea of the
heroic.

Old fashioned term for valiant / noble in battle –
satirical tone / irony. These men are past it.

Rhetorical question challenges their actions.

Cliche seems ironic – makes fun of them. They are
the cliche.

Poet seems to laugh at the violence but recognises
the sincerity of their objective.

Embarrassment of their dirty bodies in public

Contrast description of youth and middle age –
adults seem unable to recapture their past

Youth – qualities of courage / honour – memories of
a more romantic era

Financial responsibilities – grind of a gulf job

Emotional ties, the weight of a child's dependence,
mundane domesticity

Double meaning / ambiguity – austere life-style /
self-discipline OR courage in the face of danger

French Rugby Football Philip Dine, 2001-07-01 As France's oldest team sport rugby football has throughout its 125 year history reflected major changes in French society This book analyzes for the first time the complex variety of motives that have led the French to adopt and remake this rather unlikely British sport in their own image A major site for the construction of masculine class based regional and national identities France's tradition of Champagne rugby continues to be as subject to dramatic upheavals as the society that produced it The game's precocious professionalism and endemic violence have not infrequently caused the French to be cast as international pariahs Such isolation exacerbated by internal politics has led the French not only to encourage the extension of the sport beyond its British imperial base into Italy and Romania for instance but also to engage in some uncomfortable tactical alliances most obviously with apartheid South Africa Taking his analysis both on and off the field the author tackles these issues and much more the relationship of sport and the state including particularly the Vichy period and the period under de Gaulle professionalization the persistence of colonial and postcolonial structures including the role of ethnic minorities and gender issues especially masculine identities At the same time he links the evolution of the sport to the broader context of French socio economic political and cultural history This book will be essential reading for anyone interested in the cultural analysis of sport or French popular culture
