**Site** Patrick Lee, 2019-05-28 From the author of Runner Sam Dryden comes under attack from unknown forces as an unremembered episode from his past threatens more than just his life On an otherwise normal morning former Special Forces operative Sam Dryden is the target of an unsuccessful attempted abduction Using his attacker s cellphone he learns that another person a woman named Danica Ellis is also being targeted Dryden arrives just in time to save Danica from the assault team sent after her But neither of them recognize the other or have any idea why they are being targeted The only clue is a heavily redacted official looking document given to Danica by her stepfather before he was killed Dryden immediately recognizes it as a scrub file A scrub file is a record of what a subject knew before their memories were chemically destroyed The redacted document refers to witnesses to a secret military site in Ashland Iowa in 1989 Both Dryden and Danica Ellis lived in Ashland in 1989 when they were both twelve years old though neither of them has any memory of the other Switching back and forth between the present day when Dryden and Danica try to elude the forces that are after them and the past in Ashland Iowa when both were twelve making a discovery that forever changed their lives this latest Sam Dryden novel proves yet again that Patrick Lee is one of the most original compelling thriller writers today

Signal Patrick Lee, 2015-07-07 Sam Dryden lives quietly in a small coastal town in southern California buying and fixing up old houses It s good physical work that he s come to love But his peaceful life is shattered when he gets a phone call from an old friend in trouble A phone call that pulls Dryden into the middle of a situation that s as violent as it is baffling For FBI agent Marnie Calvert it all begins at a secluded trailer in the Mojave Desert the scene of a horrifying crime but also of an impossible and mysterious act of heroism At least it should have been impossible Determined to learn the truth what Calvert discovers leads her to Sam Dryden an ex Special Forces operative whose ordinary life has suddenly become anything but

Through their actions Dryden and Calvert have unknowingly placed themselves in the cross hairs of a frightening and dangerous enemy the result of a generations long conspiracy finally coming to fruition What these people have is a technology that allows them to affect events before they even happen How they are planning to use it however will result in the death of millions To defeat them Dryden will need to do more than think fast he ll need to think around corners and face down an enemy that can seize on his mistakes before he even makes them Following the national bestseller *Runner* Sam Dryden Patrick Lee s most indelible creation returns in one of the most compelling breathless thrillers yet *Signal* *Only to Die Again* Patrick Lee,2015-10 A deperate plea for help The middle of the night Sam Dryden takes a call from an old friend from his days in the military She needs his help Urgently There s no further explanation A race against time Two hours later Dryden and his former teammate smash their way in to a remote desert shack Inside they discover four young girls caged and threatened with death by their abductor Dryden acts An impossible secret But how had Dryden s friend known what about to unfold Why was it so important that they flee the scene before the police arrive Only one thing is certain Dryden is now facing a ruthless enemy that alwaysseems to be one step ahead Acclaim for Patrick Lee Patrick Lee is in a word brilliant James Rollins An amazing high speed hi octane novel that moves faster than most people can read Nelson DeMille Pure adrenaline An action packed novel brimming with complex characters Not to be missed Lisa Gardner A terrific cast of characters unrelenting action I m going to sue Patrick Lee for giving me whiplash Jesse Kellerman **Science Fiction, Horror & Fantasy Film and Television Credits** Harris M.
