

PERSONAL MISSION STATEMENT

A personal mission statement defines your purpose. It explains what you want to achieve in your life, career, personal relationships, and so on.

EXAMPLE 1

"I will be generous with my time both with family and strangers. I will consciously and intentionally spend quality time with my parents, my wife, and my children. I will pass-on love of life and self-belief to my children by living as a positive example. I will commit my career to working on projects that are meaningful to me."

EXAMPLE 2

"I will strive to live a life that is consistent with my own values and ethics. To achieve this, I will ensure I reflect every day on how my daily actions and interactions with others will reflect upon me, and whether they're consistent with who I strive to be. By living by example, I will maintain personal integrity throughout my life."
