Thinking America Charles Lemert,2025-01-31 In this dynamic book Charles Lemert elaborates a vigorous distinctive and
 creative American tradition in social thought American social theory has tended to be overshadowed by European social
 thought Yet looking deeper Americans have always made important contributions to social theory Drawing upon the work of
 a dazzling array of both seminal and unjustly overlooked philosophers sociologists litterateurs and political activists Lemert
 constructs a coherent yet variegated intellectual framework for understanding American social theory and culture from the
 colonial era to the present In doing so Lemert analyses American intellectual attitudes on race gender popular culture
 political thought capitalism and social movements while also exploring schools of thought from transcendentalism and
 pragmatism to interactionism and intersectionality In his inimitable style Charles Lemert a master of finding theory where
 you d least expect it offers a masterful rendering of the American tradition in social theory In doing so Lemert shines new
 light on social theory and American history Both authoritative and accessible this indispensable work will be essential
