the famous town of Glasgow It was also a regiment with traditions for in the dim and distant past it had been founded by 1000 heroic scallywags from out of the city jails These men were dressed in tartan breeks and red coats given a gun and kit shipped straight to the Peninsula and on landing there were told to fight or starve We ll fecht was their unanimous reply and fight they did Inured to hardships they quickly adapted themselves to the tented field and early displayed a thirst Ay I waant tae jine the Mileeshy Which Militia The Glesca Mileeshy of coorse Very well come with me and I ll get you a Field Marshal s baton said the sergeant with glee for this recruiter was feeling thirsty and much in need of his half crown fee He led Spud into the recruiting office and told him to strip When did you have a bath last Last Glesca Fair answered Spud quite unashamed of his nigger like skin What Ten months ago Ach that s naething ma faither hisna had a waash since he got mairret Well then what s your age Age I dinnae ken Don t know your age Naw but I wis born the year that the auld chap wis sent tae Peterheid Oh what was that for 10 Knockin lumps aff the auld wife s heid wi a poker Very well we ll say you re nineteen added the sergeant Now what s your religion The Salvation Army Ye see the auld chap kept in wi them for they gie him a bed when he s on the bash And what s your occupation Cornet player I blaw the trumpet an the auld chap gies oot the balloons and candy What is your full name and address Spud Tamson Murder Close the Gallowgate five up ticket number 10 005 That s a big number Ay that s the number o fleas in the close Now my lad get into that bath and then you ll pass the doctor When Spud emerged from the water he was a different lad The grime of years had gone leaving his skin pink and fresh He looked fit indeed with the exception of his spurtle legs and somewhat comical face However the old sergeant wanted his half crown so Spud had to pass by hook or by crook He made him hop round the doctor s room like a kangaroo and when he was just on the verge of failing in the eyesight test he whispered the number of dots in his ear And so Spud Tamson was passed as a fullblown private into the Glesca Mileeshy There s the shilling Go home and say good bye to your friends but remember be at the station to night at eight A richt sergint I ll be there replied Spud as he marched proudly out of the door Soon after he announced the news to his now fond and proud parents

Private Spud Tamson R. W. Campbell,1915 Beyond Scotland ,2021-09-20 Scottish creative writing in the twentieth century was notable for its willingness to explore and absorb the literatures of other times and other nations From the engagement with Russian literature of Hugh MacDiarmid and Edwin Morgan through to the interplay with continental literary theory Scottish writers have proved active participants in a diverse international literary practice Scottish criticism has arguably often been slow in appreciating the full extent of this exchange Preoccupied with marking out its territory with identifying an independent and distinctive tradition Scottish criticism has occasionally blinded itself to the diversity and range of its writers In stressing the importance of cultural independence it has tended to overlook the many virtues of interdependence The essays in this book aim to offer a corrective view They celebrate the achievement of Scottish writing in the twentieth century by offering a wider basis for appreciation than a narrow idea of Scottishness Each essay explores an aspect of Scottish writing in an individual

foreign perspective together they provide an enriching account of a national literary practice that has deep and often surprisingly complex roots in international culture
