texts answer no This analysis shows that most of the cases relied upon for the no religious confession privilege conclusion are not authority for that conclusion The origin of the privilege in the canon law in the first millennium AD is traced and its reception into common law is documented Proof that religious confession privilege continues unbroken at common law through to the present day is of obvious importance in jurisdictions where there is no relevant statute A correct understanding of the common law extant before statutes were passed will influence whether those statutes are broadly or narrowly interpreted The book also brings the reader up to date on the state of religious confession privilege in the United States Canada England Wales Scotland Ireland Australia New Zealand and South Africa

Defending Privilege Nicole Mansfield Wright,2020-03-10 A critique of attempts by conservative eighteenth and nineteenth century authors to appropriate the rhetoric of victimhood and appeals to rights to safeguard the status of the powerful As revolution and popular unrest roiled the final decades of the eighteenth century authors activists and philosophers across the British Empire hailed the rise of the liberal subject valorizing the humanity of the marginalized and the rights of members of groups long considered inferior or subhuman Yet at the same time a group of conservative authors mounted a reactionary attempt to cultivate sympathy for the privileged In *Defending Privilege* Nicole Mansfield Wright examines works by Tobias Smollett Charlotte Smith Walter Scott and others to show how conservatives used the rhetoric of victimhood in attempts to convince ordinary readers to regard a privileged person s loss of legal agency as a catastrophe greater than the calamities and legally sanctioned exclusion suffered by the poor and the enslaved In promoting their agenda these authors resuscitated literary modes regarded at the time as derivative or pass including romance the gothic and epistolarity or invented subgenres that are neglected today due to widespread revilement of their politics the proslavery novel Although these authors are not typically considered alongside one another in scholarship they are united by their firsthand experience of legal conflict each felt that their privilege was degraded through lengthy disputes In examining the work of these eighteenth and early nineteenth century authors Wright traces a broader reactionary framework in the Anglophone literary legacy Each novel seeks to reshape and manipulate public perceptions of who merits legal agency the right to initiate a lawsuit serve as a witness seek counsel from a lawyer and take other legal actions As a

result Defending Privilege offers a counterhistory to scholarship on the novel's capacity to motivate the promulgation of human rights and champion social ascendance through the upwardly mobile realist character

Kings Without Privilege A. Graeme Auld, 1994-01-01 For almost two centuries biblical scholars have operated in the shadow of de Wette's judgement that the books of Chronicles are derived from and hence historically inferior to the books of Samuel Kings Without disputing de Wette's historical feel for the unreliability of the Chronicler Graeme Auld suggests a fresh model for understanding the interrelationships of these two accounts of the Bible's kings each had supplemented quite independently of the other a common inherited text that had told the story of Judah's kings from David to the fall of Jerusalem He reconstructs and explains this shared source This fresh study shows that the author of Samuel Kings was no less partisan than the Chronicler when retelling older traditions of Israel and Judah Sometimes the two books diverge considerably as over King Hezekiah At other times the differences are slighter yet quite as telling after forty shared verses of petition in Solomon's prayer at the dedication of the Jerusalem Temple the version in Kings ends by appealing to the Exodus and mentioning Moses by name but Chronicles as often more traditionally names David and quotes a Psalm
