KLEPTOCRACY Dominic F Dixon, 2017-05-29 Kleptocracy from Ancient Greek kl pt s thief kl pt steal from Proto Indo European klep to steal and from the Ancient Greek suffix krat a from kr tos power rule kl pto thieves kratos rule literally rule by thieves 1 2 is a government with corrupt leaders kleptocrats that use their power to exploit the people and natural resources of their own territory in order to extend their personal wealth and political power Typically this system involves an obsession with television ratings over state concerns and embezzlement funds at the expense of the wider population 3 4 This paper is aimed at drawing attention to anti corruption activists and advocacies against corruption and to postulate an international perspective of the innumerable forms of modus operandi envisaged by Kleptocrats Research and cases studies have been derived from dozens of publications interviewing of bureaucrats and diplomats political ministers and investigative journalists In the classical sense corrupt rulers or kleptocrats abuse their power to exploit their nation's resources for personal gain ambition and political supremacy There are varied aspects of corruption such as money laundering fraud electoral crimes embezzlement and the list goes on A society does not diminish or become corrupt overnight it happens progressively Therefore I wish to reiterate that scholarship emphasis needs to be on individual corruption to begin with For instance a nation may be corrupt because of its leaders and

their connivance with the underworld For instance Mohammed Suharto President of Indonesia 1967 1998 had embezzled an estimated 15 35 billion and Arnold Aleman President of Nicaragua 1997 2002 who embezzled an estimated 100 million
